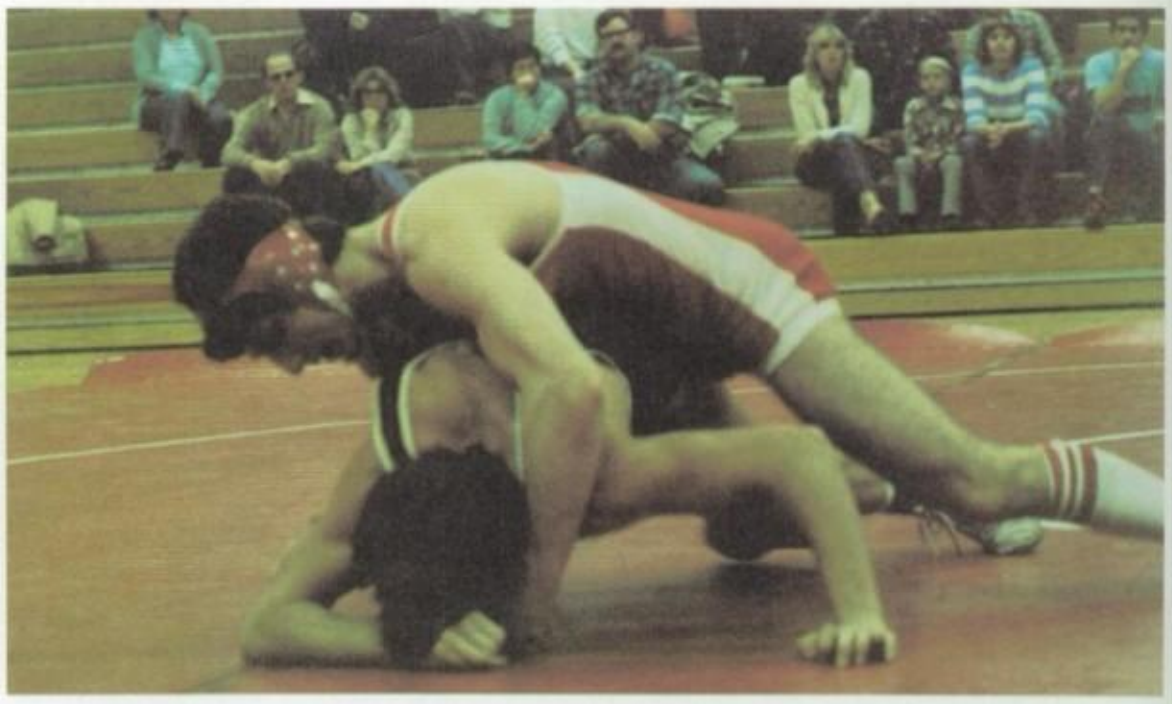
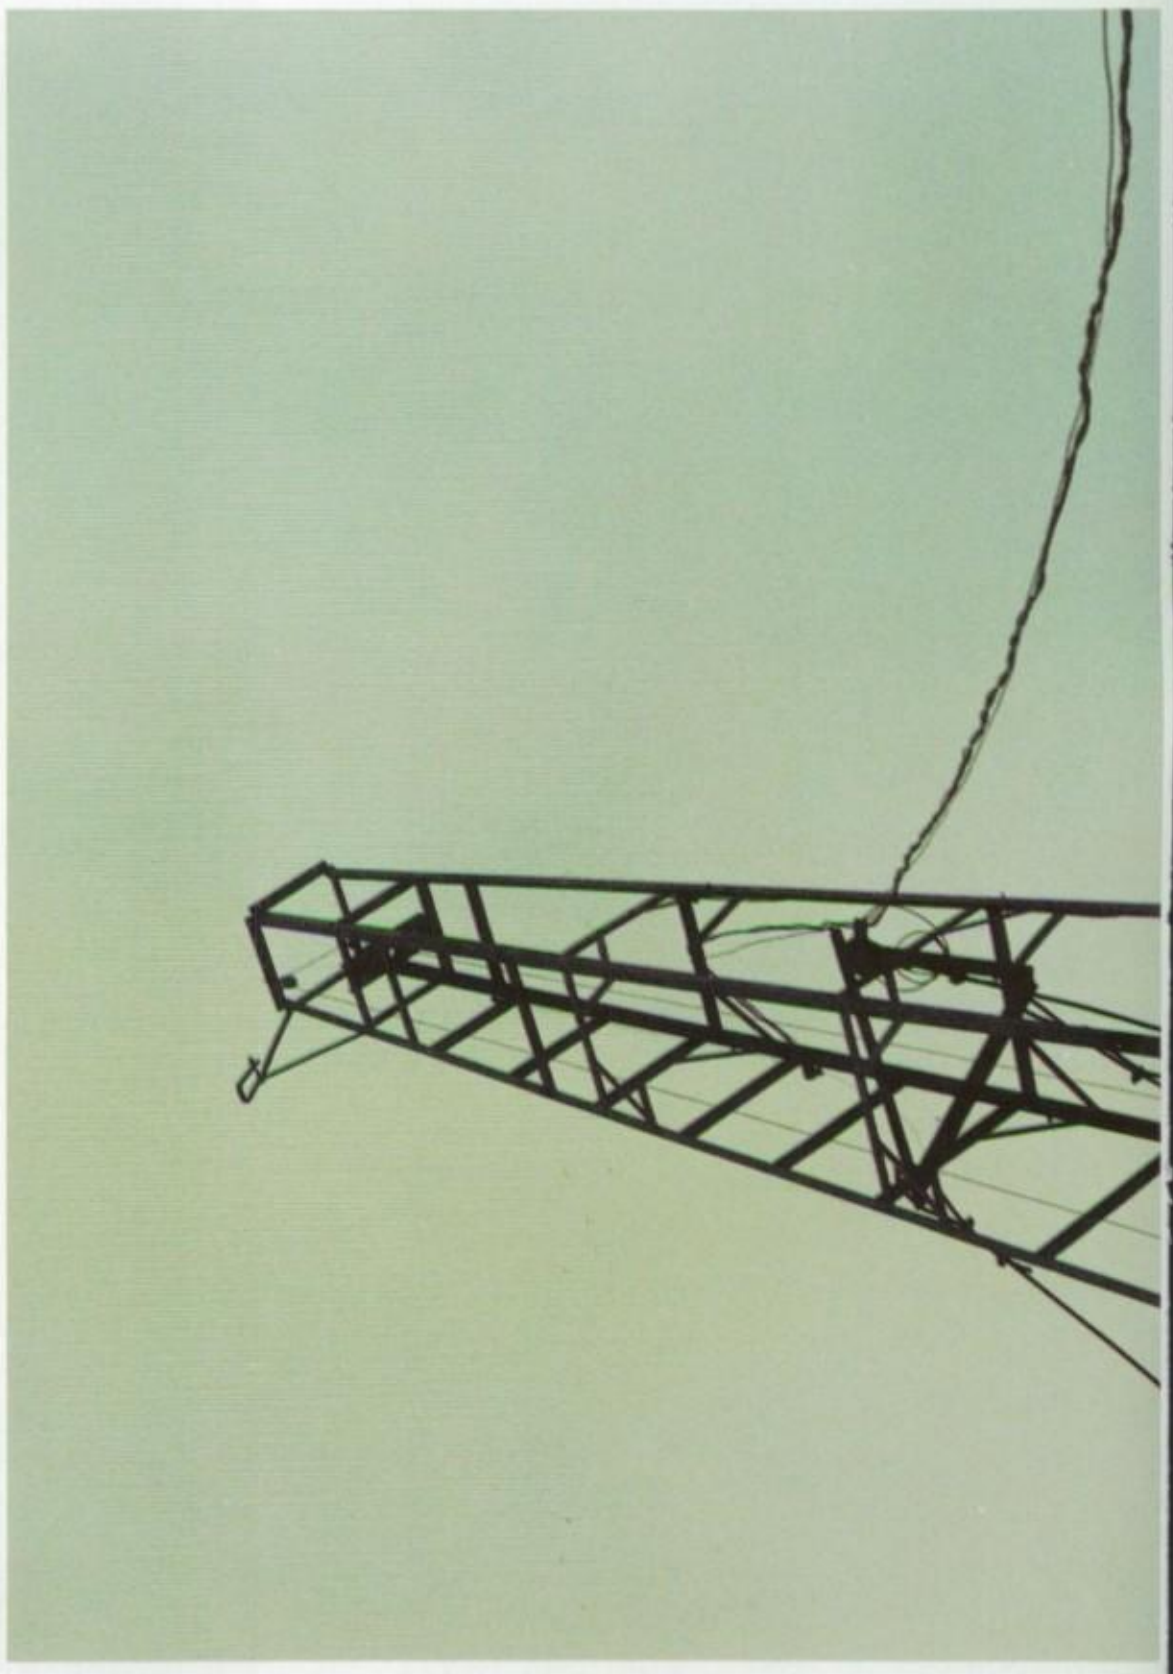
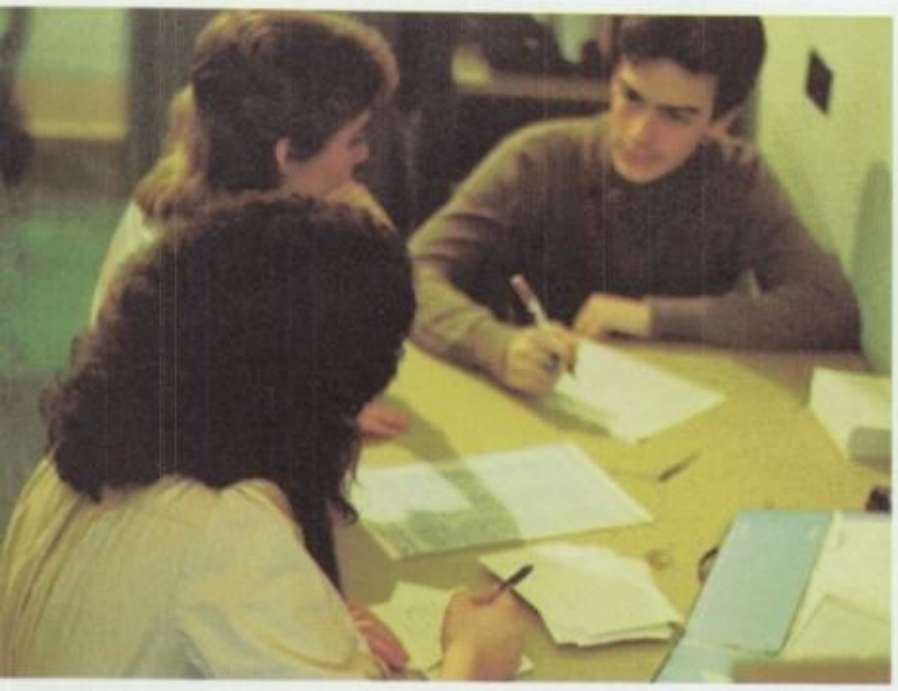
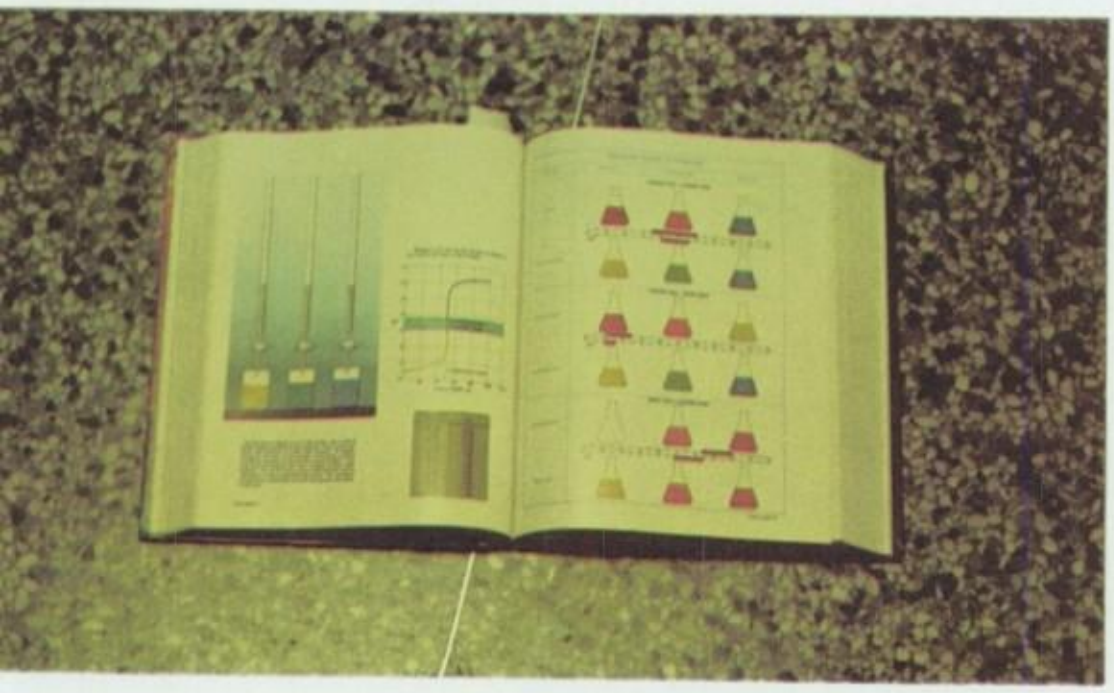
Education. What it is? The first thing most students think of is school. Webster defines education as "the process of developing knowledge, mind, and character," in or out of the classroom. These next few pages are devoted to all the things that "educate" you: Clubs, friends, activities, sports, and, yes, even classes.

Sometimes the knowledge obtained works, like in the greenhouse, and sometimes not, like the windmill. Clubs provide an education









for its participants through their interaction, as do sports. The members learn to work with each other and are exposed to different ideas and opinions. New friendships are made and old ones strengthened. A well rounded education involves more than just in class learning, it also includes extracurricular activities which produce enjoyment.

A practical education is also given from the involvement in some activities. For instance, in Practical Health, CPR and First-Aid are taught. In band future Louis Armstrongs are made. Sports may turn out Pete Roses, Roger Staubachs or Ralph Sampsons, while student government

turns out Kennedys, Roosevelts, or Nixons. No matter what the activity, in school or out, a proper and valuable education is to be had.

ANDREW DIDINO
FEBRUARY 1964
MAY 1982

Death, be not proud, though some have called thee
Mighty and dreadful, for thou art not so:
For those whom thou think'st thou dost overthrow
Die not, poor Death; not yet canst thou kill me.
From Rest and Sleep, which but thy picture be,
Much pleasure, then from thee much more must flow;
And soonest our best men with thee do go—
Rest of their bones and souls' delivery!
Thou'rt slave to fate, chance, kings, and desperate men,
And dost with poison, war, and sickness dwell;
And poppy or charms can make us sleep as well
And better than thy stroke. Why swell'st thou then?
One short sleep past, we wake eternally,
And Death shall be no more: Death, thou shalt die!

—John Donne

The word education conjures up a vision of teachers, textbooks, and classrooms. However, students learn both in and out of the classroom. When the bell rings at 7:55, the doors open to classroom learning.

At one end of the building, past events are taught to students in history; fingers aquire dexterity in typing class; poetry is discovered by English students; the amoeba becomes 'real' under the microscope; and the hieroglyphics of Physics baffle science students. At the other end of the high school, students pore over encyclopedias in the library; cameras are loaded in Photography; the intricacies of drama are taught; T-shirts are printed; race cars are built; and the choir and band make music.

When the 3:09 bell rings, both staff and students begin a new learning process. Textbooks and lectures are forgotten as teachers educate students in a different way. Coaches devote time to teaching athletic skills and team effort. At class meetings, adviors help students plan and sponsor class activities. Advisors at club meetings educate students in the duties they must perform, both for the community and school. Special projects encompasses the UN Group, which gives students the chance to understand foreign relations. Extracurricular activities show that education is more than classroom work.

Together staff and students learn that there is not only pride in academic achievements, but also in the attainment of personal goals, whatever those goals may be.

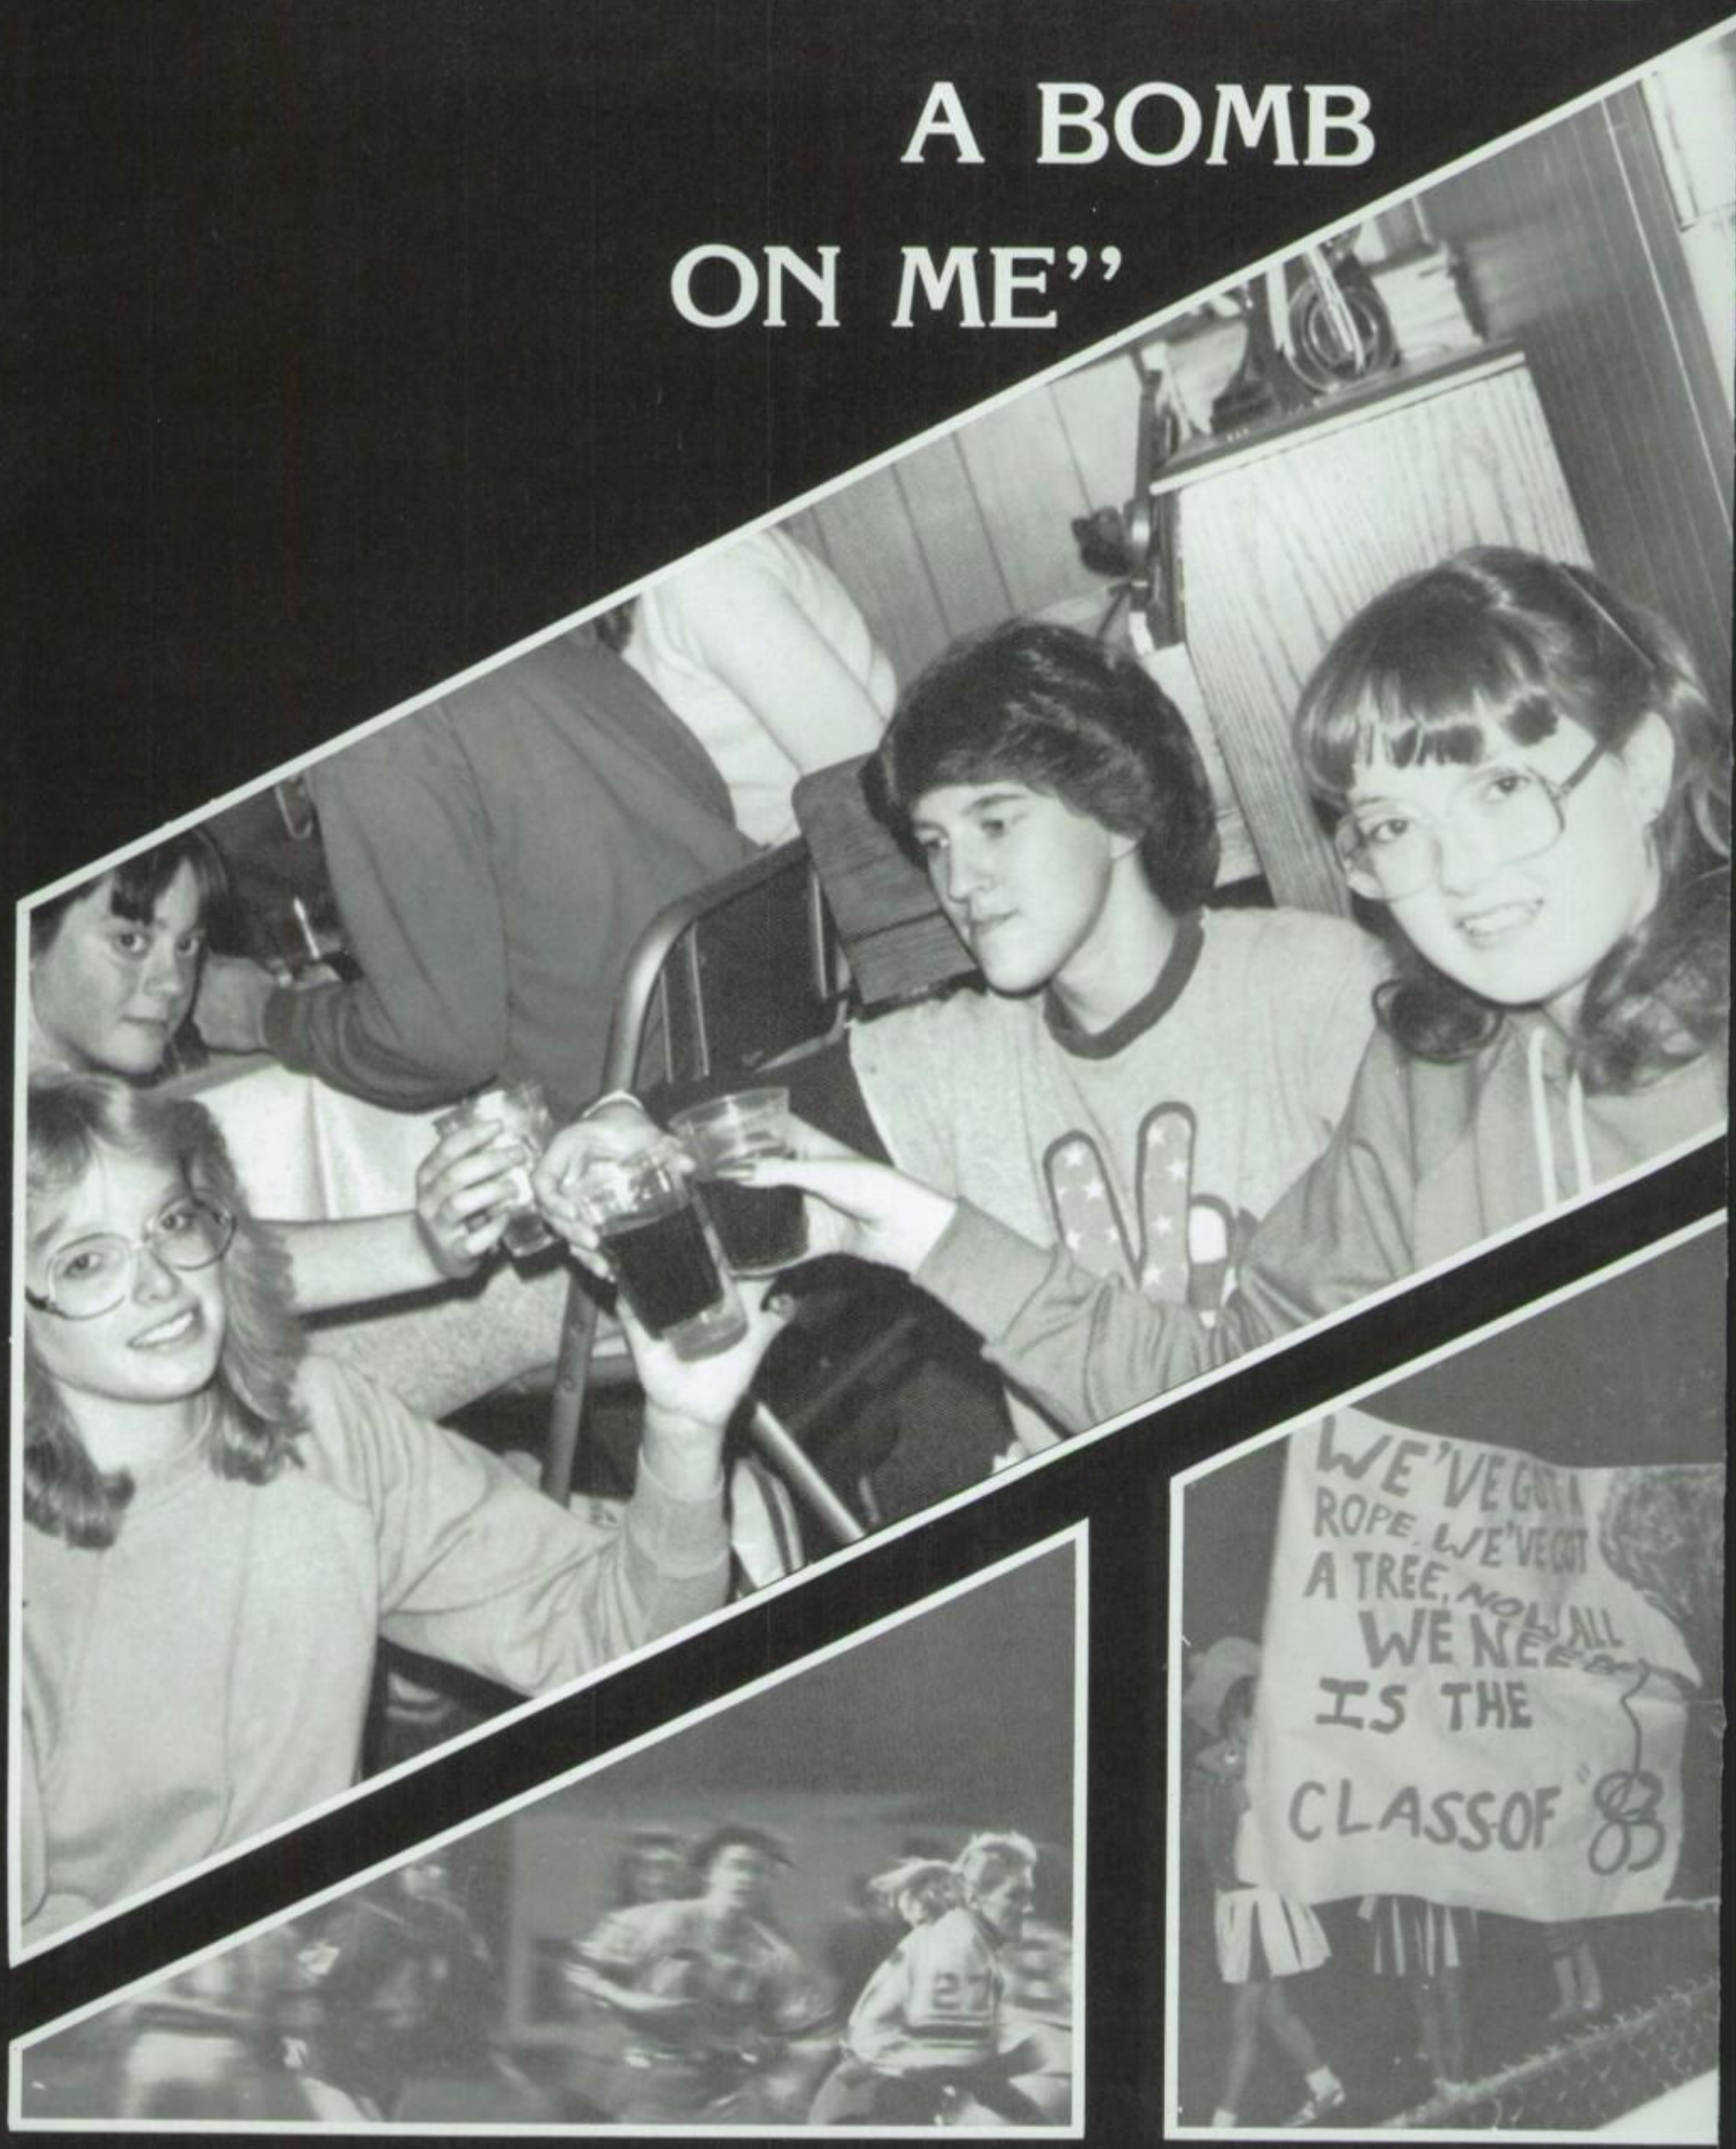
THERE'S BEEN A CHANGE . . .

There's been a change . . . At GHS this year the traditional prom was replaced by the Dinner Dance. Instead of having the dance in the high school gym, the Junior class decided to change things even more by moving the dance to the Hotel Ashtabula. The Spring Event, as it was also called, was held on May 21, 1983, breaking the long standing tradition of having the prom on Memorial Day weekend. The change was brought about in hope of creating a more economically feasible event. The tuxedo was not made mandatory and those attending did not have to come with a date, so singles and groups of friends attended as well as couples.

"YOU DROPPED A BOMB ON ME"



On October 23, 1982, something amazing dropped on the Junior class at Geneva Memorial Field: a bomb. Juniors Tanya Brown, Dee Dee Dunbar and Colleen Fobes psyched themselves up by toasting for goodluck at their pregame meal, while others decorated their cars for the parade to the field. Luck was not with the Juniors as the Seniors passed and ran their way to a 32-0 victory.

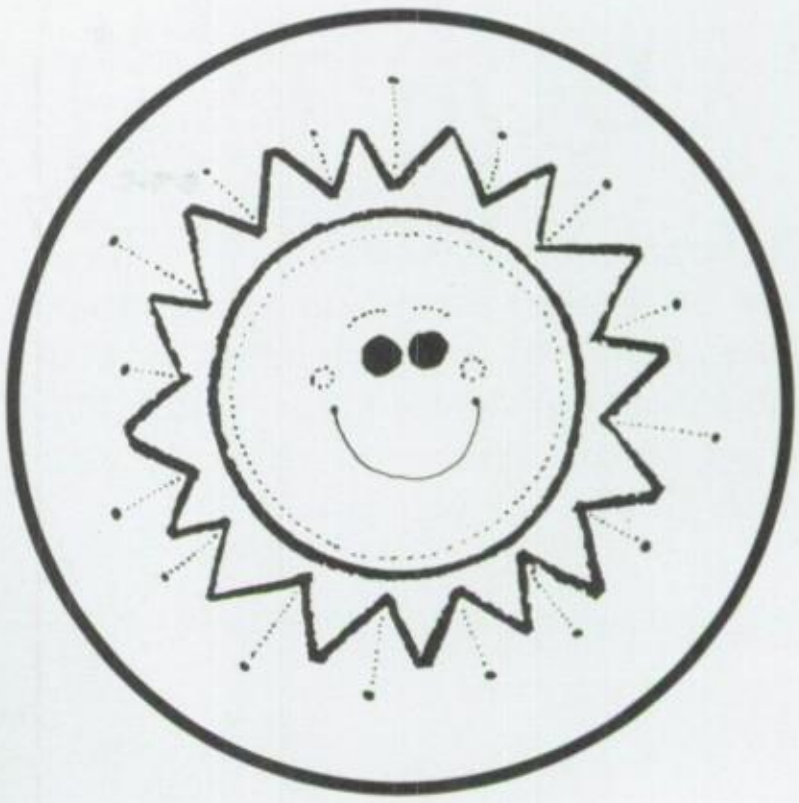
GOOD LUCK CLASS OF 83

GENEVA CONTRACTORS

"TINY BUBBLES"

Despite the constant rainy weekends, the Sophomore class lucked out on May 21 for their annual carwash. Even though the weather was warm and sunny, the young washers could not manage to stay dry. Many Dinner Dance goers hired the services of these young businessmen in order to impress their dates with a spic-n-span clean car.



DON'T STOP THE MUSIC!

The Sophomore class let us have those good times after every home basketball game. Even the cost of inflation hits high school dances-we paid a whole 75¢ to get in-but don't you think it was worth all the fun you had!!?

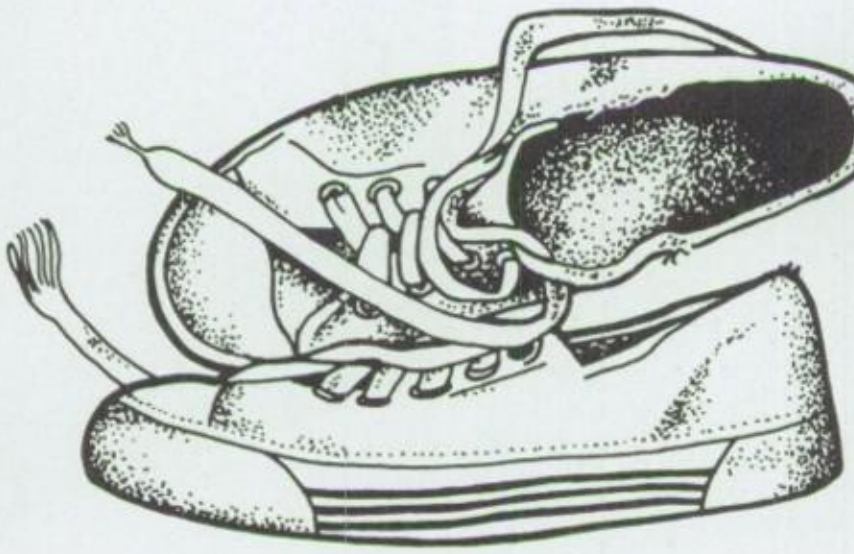
THE BEST OF TIMES

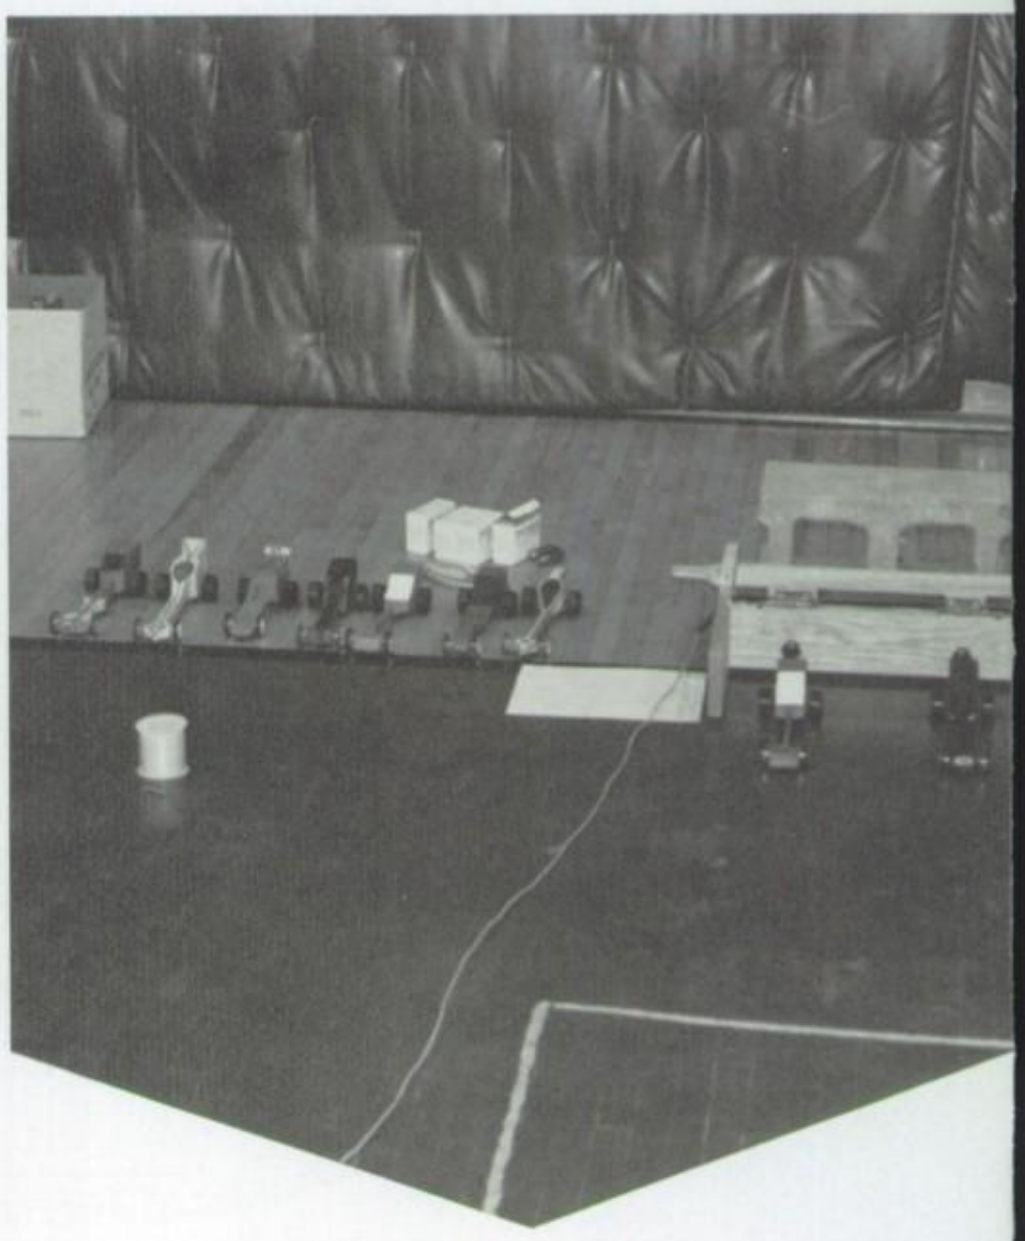
The 1982 Homecoming Dance, "On Golden Evening", was held on October 2, in the Junior High Gym. Junior court attendant Alisa Gruber and her escort Bill Peters (Center) were only one of many couples who enjoyed dancing to the music of Quiana. Some couples chose to sit quietly at their tables while others found their feet on the dance floor.

TURN ME LOOSE

Turn me loose-Turn me loose- I wanna do it my way or no way at all! It is apparent that Mark Malizia has broken loose and left the rest behind. And the majorettes enjoyed their glamorous job. The two track members tried to keep warm at the early cold track meets. During basketball season the cheerleaders are doing their job as no one else can. All these people are doing what Geneva does best.



"I DID IT MY WAY"



These people really knew what Frank Sinatra meant when he crooned the tune "I Did It My Way". The fearless Mark O'Connell preparing to plunge to almost certain doom on a Ski Club outing; I.A. Metric cars, designed and built by Industrial Arts classes, zoom their way across the gymnasium floor; drum major Laura Rowley directs fellow band members in rousing spirit at a pep assembly; the daring V.I.P.'s competed once again in the junior sponsored Donkey Basketball Game; Junior Rod Trask prepares to send the ball flying across the net at the annual Junior vs. Faculty Volleyball Game; two I.A. Metric 500 winners raced their way to fame; and an unknown V.I.P. stares disbelievingly at the scoreboard.

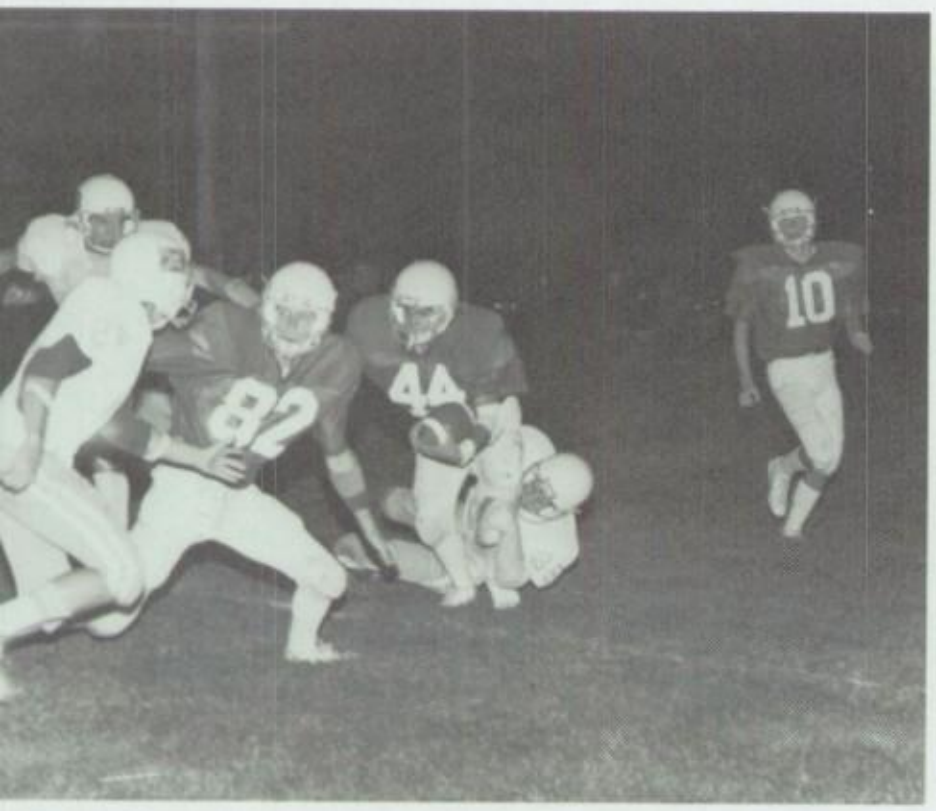
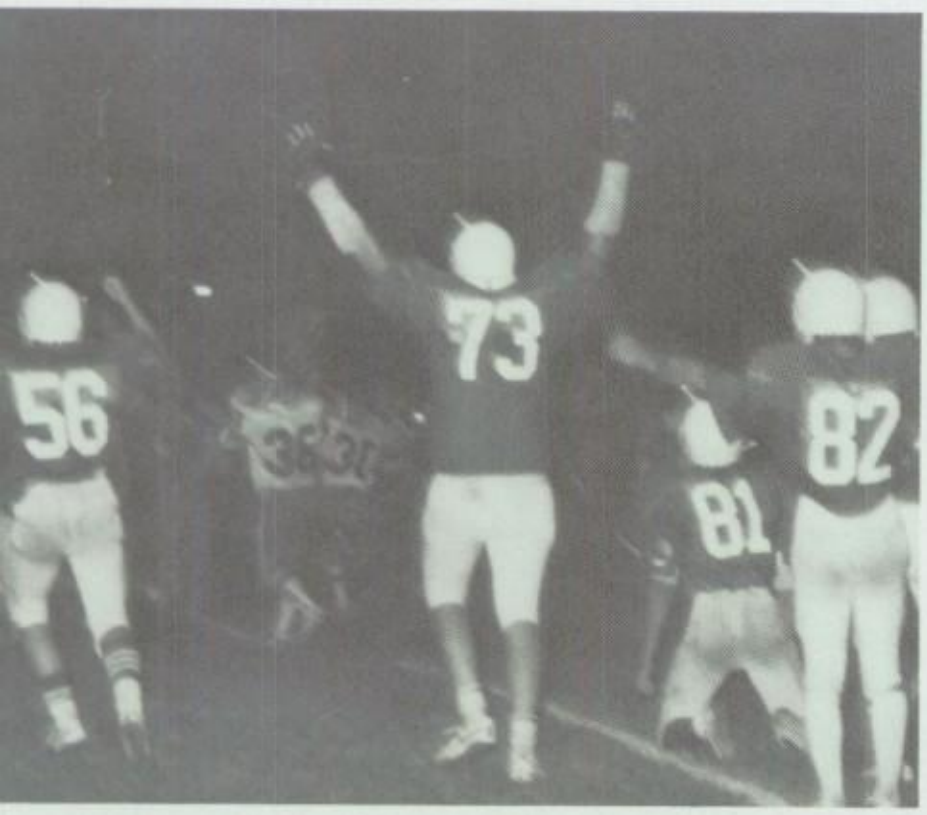
When the Eagles lined up for the 1982 Football season they planned to contend for the NEC title just as they have in the past years. After the non-conference games the Eagles were 2-1. The team started NEC play with an uncharacteristic loss to Riverside but came back with a 33-0 rout of Edgewood. The Eagles got the short end of the next four games but came back with a win over tournament-bound St. John.

CURSED BY THE EIGHTS?





The Eagles cannot use injuries as a "crutch" for their below average season. Yet, as the seson went on players with an eight or any combination of eight on their jersey felt doomed. But this whole notion of a jinx was just an excuse; it was obviously a coincidence. In spite of all this the Eagles had some good times and some good games with support from four helpful managers (left) and leadership from fourteen seniors (above). During the season enthusiasm may have been lacking but the players (middle left) seemed to be excited and Shaun McHugh (top right) will walk on his hands to gain a yard.

The 1982 Freshman Football team finished the season with a thrilling game against Conneaut and ended the year with a record of 2 wins and 3 losses. Kevin Hudson, the starting quarterback, was injured very early in the season and John Opron (#14 bottom left) took over the position and did a fine job.

The Freshman Team worked hard under head coach Jeff Pizon and assistant coach Dennis Jarvi. The coaches are anticipating the Freshman to help the varsity team in the future. Norm Potter is hoping to play a big part in the Eagle kicking game.Potter had an excellant record kicking extra points and field goals.

The 1982 Girl Volleyball Team finished the season with an overall record of 8 wins and 8 losses. They could not defend their title of last season but with only one senior on the team this year the future seasons look like championship ones. The team was led by Junior Tracy Coy and a host of other juniors; the rest of the team include one sophomore and one freshman.

The 1982 Geneva Cross Country Team was led by Coach Ed Millspaw and two seniors Bret Robertson and Sven Bergqvist. The team lost three returning letterman, but still ran hard to a misleading 0-8 record. Karen Doherty qualified for the district girls meet for the second year in a row as a sophomore so the Cross Country team and fans had something to cheer about.

Even though there will be four seniors graduating this year Coach Millspaw has some young runners who will hopefully improve in time for the 1983 Cross Country season.

The Geneva Golfers had greater aspirations during the first half of the season but the team ended up third place behind Riverside and Conneaut. As the first match approached it appeared the team had the talent to upset Riverside who had been atop the N.E.C. for the past few years. Unfortunately throughout the season and especially in critical matches, all five varsity players could not come through with winning scores.

The team was led by five seniors; J. Beital, T. Cartellone, E. Koval, T. Melville, and D. Stokes, but Coach Bill Koval has some juniors and sophomores who are getting better all the time and will be part of an improving Geneva golf program.

Surely the 1982-83 Geneva Basketball team was not satisfied with their season but more games were won than lost and they finished in a tie for second in the NEC. The Sectional Tourney was the highlight of the season where Riverside and Mentor were beaten handily but Chardon put an end to the Eagles' season. The team knew they had tools to win but something was missing.

FIRST ANNUAL PREVIEW HELD HERE

On November 19, Geneva, Madison, Riverside, and Conneaut participated in the first annual preview at Geneva High. Six games were played and all four teams got an idea of the other teams' talent. All the teams felt the preview was a good event to begin the NEC season.

NEC Tournament- 3rd place

The 1982-83 Eagle Wrestling Team again had several good wrestlers but they seemed to be short a reversal here and short a couple of back points there. With only two seniors leaving, the Eagles should be in contention for the NEC again next year. The Eagles ended there season over the .500 mark and finished 3rd in the NEC Tourney.

Running, jumping and throwing are the things that the Geneva Boys Track Team have tried to master but the guys came up just a little short in 1983. The team was led by Five seniors: Dave Craine, Jim Kulick, Brian Collier, Mike Carboni and Mark Tamblyn. The Boys lacked depth although talent was evident in some younger members along with the veterans.

The girls track team have been doing well over the past few years; this year was no exception. The 1983 team led the N.E.C. throughout the dual season but lost the title at the N.E.C. meet. The girls team was led by one lettering senior, Deanna Hart and several juniors; Tracy Coy, Cindy Collier, Carol Maruna, Cheryl Kosicek, Sue Cybulski, Val Stone, and Chris Covell. The team also had many sophomores and freshman that contributed.

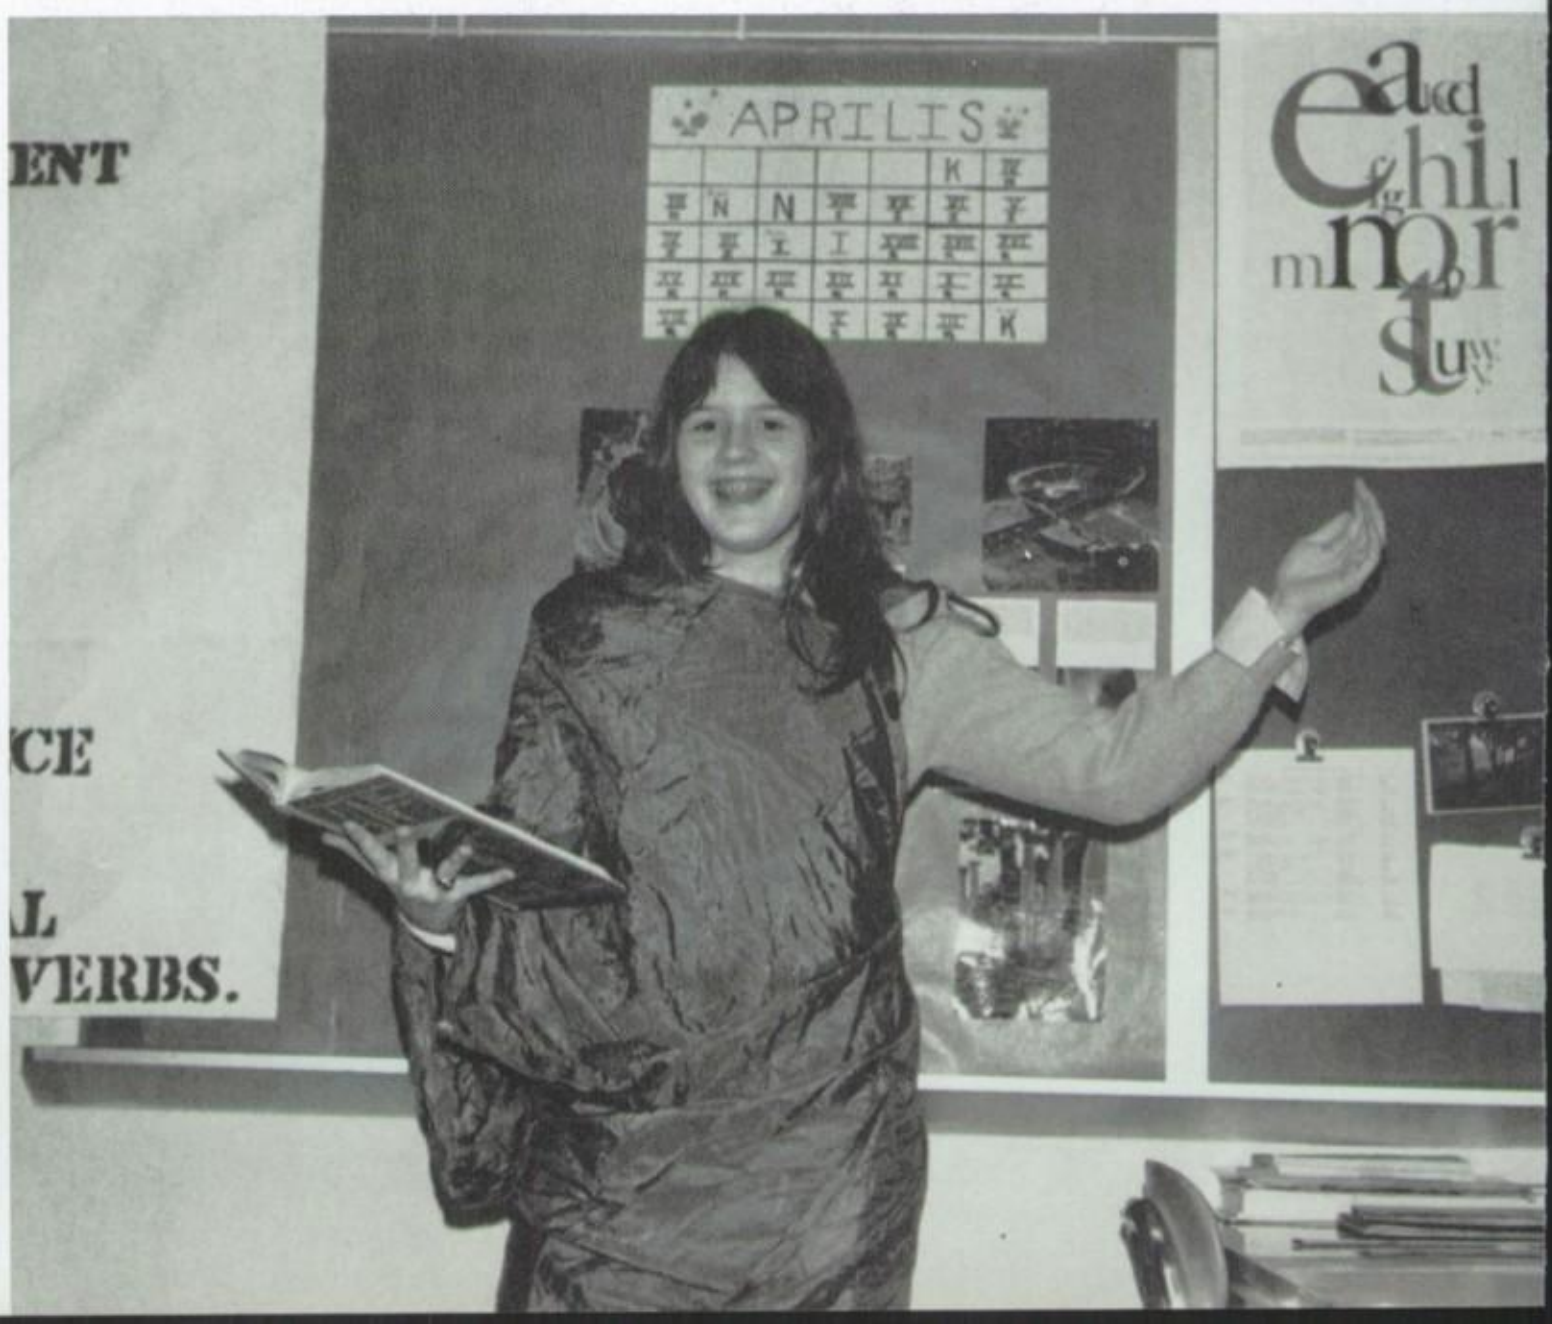
ACTIVITIES

LANGUAGES



AT GHS!

The Spanish Club, under the advisorship of Mrs. Toth, held a Christmas party for the members. The officers of the club are President Beth Savel and Treasurer Donnetta Patton. Mrs. Toth and the members talked about a trip to Spain in which they plan on taking next year.

Another language club at GHS is the Latin Club. This club is an organization available to the students in Latin III, III, and IV. The officer of the club are Consul Sharon Trebuchon and Praetor/Quaetor Joe Cornly, and the advisor is Mr. Urbanski.

OUR BUSINESS IS

"SNOW" BUSINESS

Hi, my name is Sven and I am this year's foreign exchange student from Sweden. I'd like to tell you about this year's Ski Club. We took our first trip to Alpine Valley on January 8th and we finished the season with a trip to Peak-n-Peek in New York. I've been skiing for ten years and really enjoyed skiing with all the new friends I made. The weather was good and the excitement was non-stop.

GHS EXPERIENCES U.N.

For the third consecutive year, Geneva High School students, along with many other students from several schools throughout Northern Ohio, have participated in the Model United Nations Simulations sponsored by Kent State University, Ashtabula Campus.

This project took many hours of work in order to prepare the students for the conference simulation held on March 24-26 at KSU. To get acquainted with the U.N.'s methods of operation, the students went to New York to visit the U.N. Building. Finally at Kent State on March 24-26, the students got to hold their own mock U.N. session.

READ UP ON HEALTH

Danger: Breathing can be hazardous to your Health

This year's Health Club, advised by Mrs. Gress, worked closely with the Red Cross, March of Dimes, and also area nursing homes. This year the club participated in a rock and roll marathon to raise money for the nursing homes.

The Library Club, advised by Mr. Joshi, consists of students who help out in the library.

LAB TECH.

The lab technicians this year are Ross Kaferle, Margaret Cheiky, Mike Carboni, and Mike Trebuchon. The duties of the lab techs are to assist the science teachers in the preparations for laboratory work. Ross and Margaret specialized in the Physics department. They worked on electronic kits and computer programs. Specializing in the Biology department, Mike Carboni and Mike Trebuchon kept the animals and plants cared for.

WE GOT THE BEAT!!
Ludwig

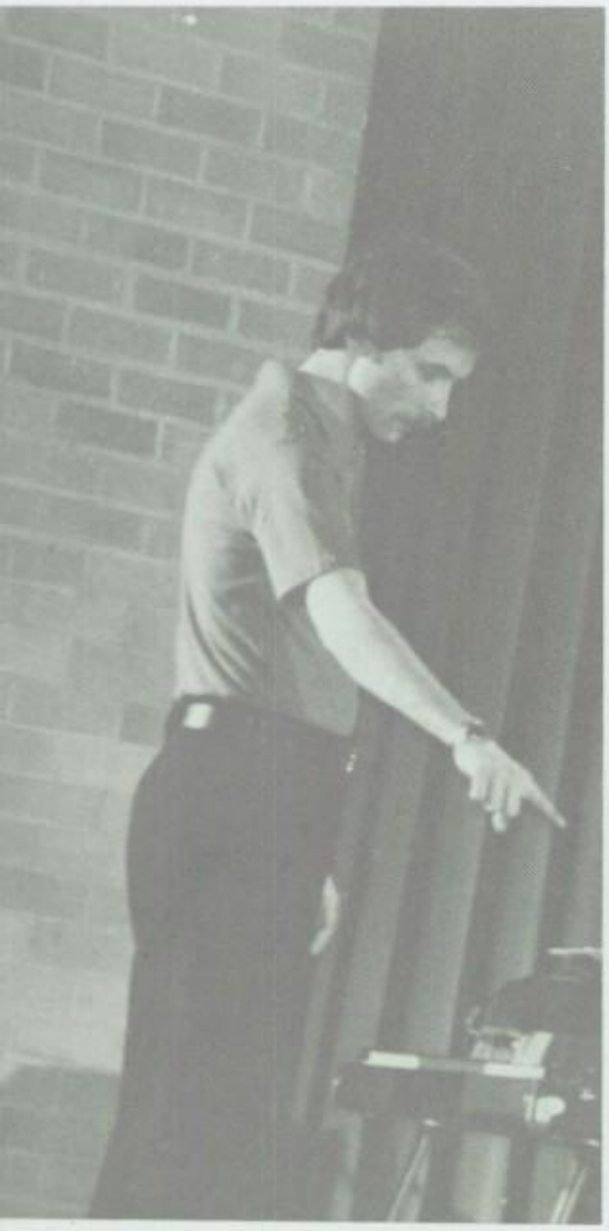
Practice makes perfect! Thursday evenings, come rain or shine, the band rehearses for Friday's show.

Marching Geneva does more than just perform at football games. Here they are marching at the Grape Jamboree Parade. Another part of the band's busy schedule is participating in Band-O-Ramas, contest, and adding enthusiasm to Pep assemblies.

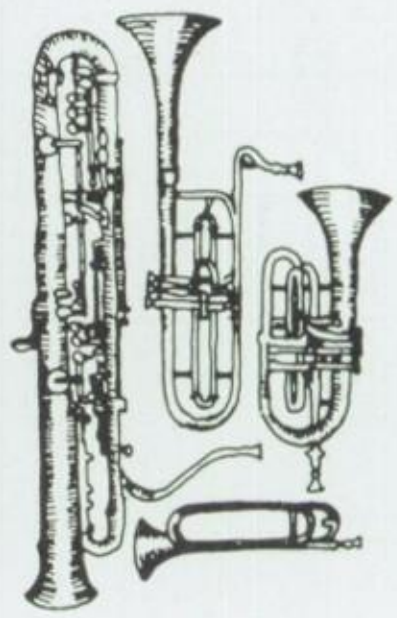
SPIRIT MACHINE PLAYS . . .

Who is that group of music makers at the basketball games? Yes, it is the Pep Band. This year's Pep Band is made up of over two dozen high school students, who are directed by Mr. Mitchell. The Pep Band assembles at every home game and entertains the crowd with their music to get the fans in a spirited mood. Some of the favorite tunes played by the Band this year include: "We Got The Beat", "Pac-Man Fever" and "Centerfold".

ALL THAT JAZZ!



When the 16 members of the Jazz Band get together and play at a performance, the audience feels as if they are back in the Big Band Era. The Jazz Band received a great round of applause as a result of the hard work they put in preparing for the Winter Concert on February 1.



A PLEASING SERIES

On February 1, the public gathered in the high school auditorium for the Concert Band's annual winter concert. Under the direction of Mr. Mark Mitchell, the band tours the elementary schools, and also takes part in band contest and competition.

Mr. Gerald Kujula puts together some of the best voices in Geneva High School to form Geneva's Image. During the year they perform many concerts throughout the community. One of their performances was the Christmas concert pictured above.

This year's GI's include (front L-R) Dave Craine, Diane Trawatha, Erik Koval, (middle L-R) Brian Collier, Dusty Fortier, Carol Maruna, Ruth Kujula, Tammie Heath, Chris Covell, Mark Tamblyn, (kneeling L-R) Scott Hanson, Teri Burnside, Kanda Wilms, Karen O'Baker, Laura Rowley, Steve Shuster, and Valerie Stone.

SING A SONG

December is a busy time for the Varsity and Concert choirs. Every year, the two groups put on a Christmas concert at each of the elementary schools. A perfomance for the public was held on Sunday, December 12, 1982. The High School auditorium was filled with songs of joy and holiday greetings.

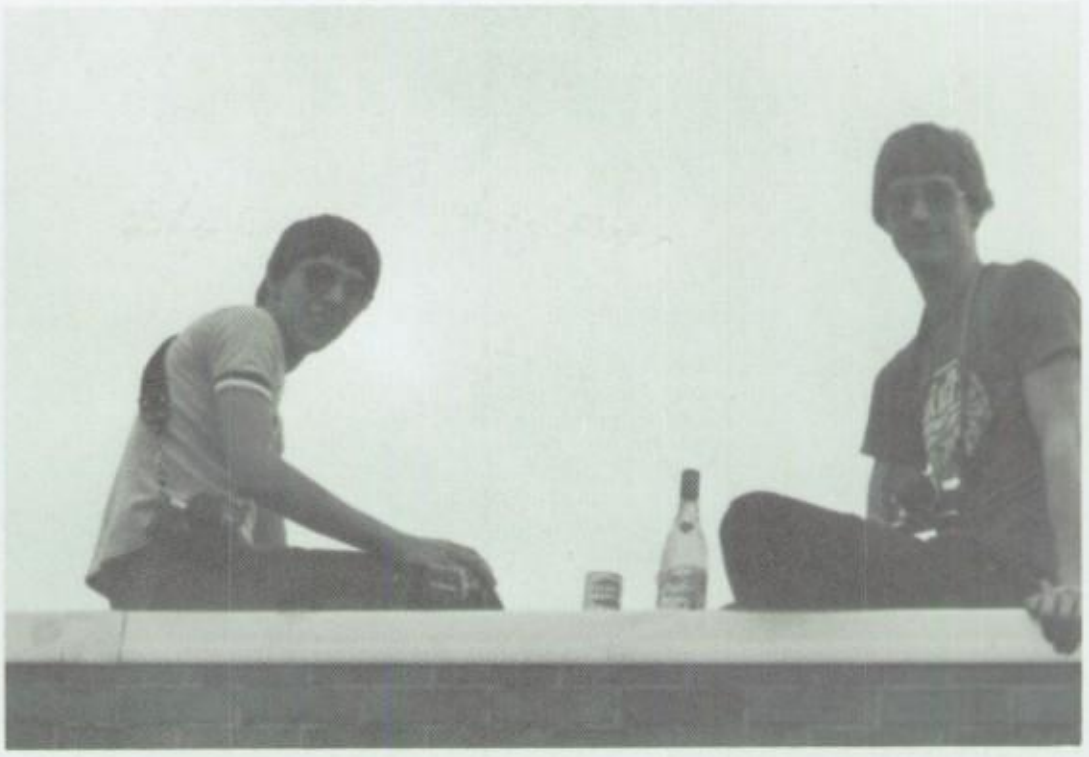
On Friday, April 8, the National Honor Society, under the advisorship of Mrs. Hydinger, inducted nineteen students who best exemplified character, scholarship, leadership, and service.

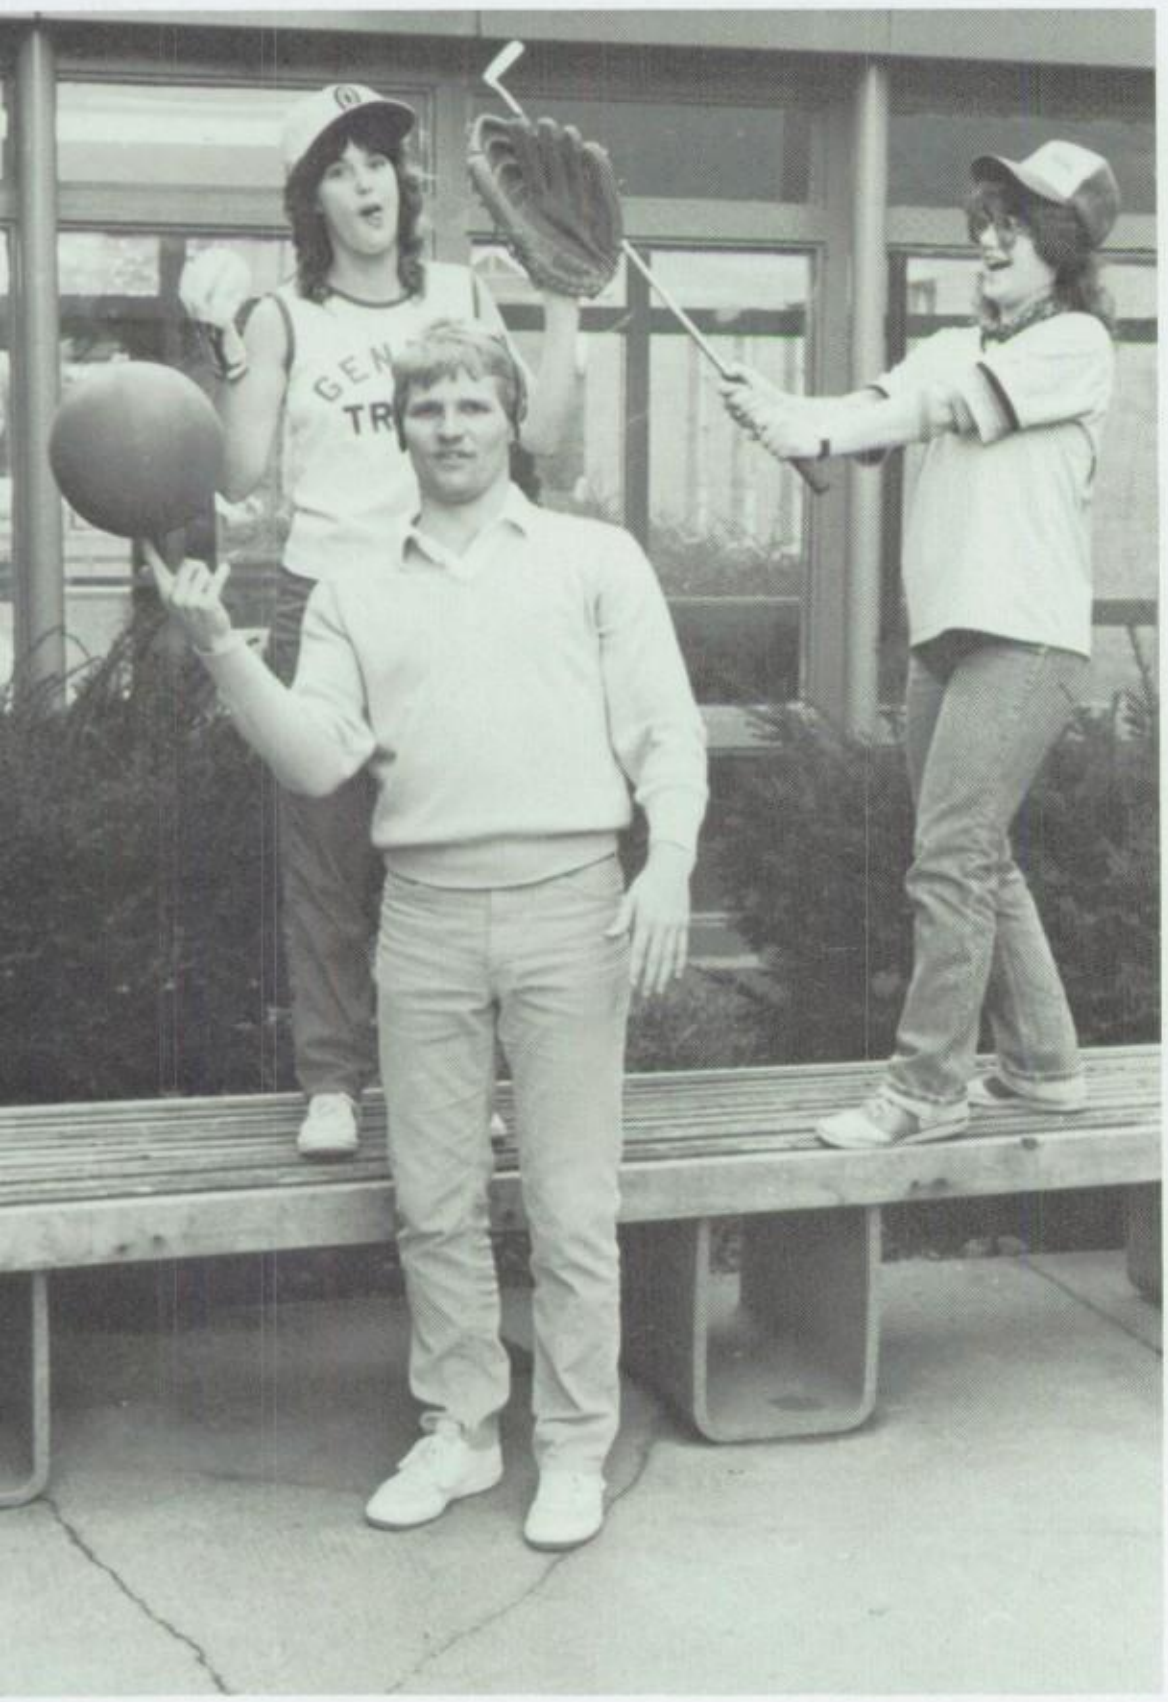
The ceremony was led by President Ross Kaferle. Speeches on the qualities that the NHS represents were given by secretary Sharon Loveless, Vice-President Margaret Cheiky, Tim Brueggeman, and Julie Shearson. The new inductees were introduced by Mike Carboni and treasurer Mike Trebuchon, while a slideshow of the inductees was displayed.

WE PUT IT TOGETHER!

Putting together the Aquila is not as easy as one might think. The staff members work hard to lay out pages, write copy and meet deadlines. Each member frantically prepares a page to reach these deadlines. Pictures must be cropped and measured in order to fit on the page. Headlines have to be created that will give the page character. The layout of the page is also important to the image of the page. A lot of work, preparation, and heartache goes into a yearbook so that memories can be forever recorded.

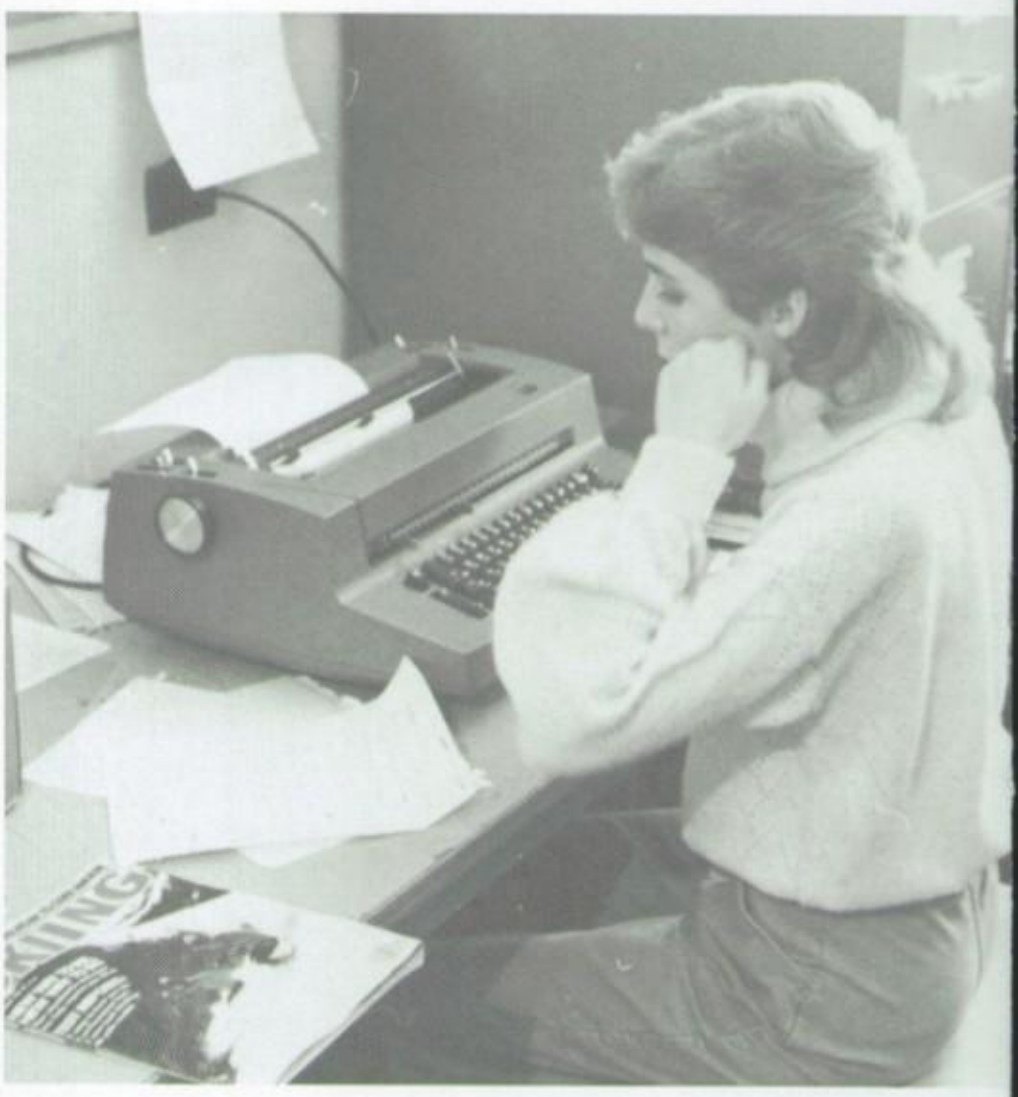
This year's staff included the Senior section (top left): L. McTigue, D. Patton, S. Loveless and K. Scott; the Underclassmen section (top right); B. Peters, P. Hiers, K. Scibona and J. Willis; The Activities section (right): S. Bergqvist, A. Rockhill, K. Sprinkle, M. Trebuchon, and H. Whitmire.





Pictured on this page is Advisor Miss Hoover (top left): Photographers: J. Podsedly, and R. Trice; Sports section (left): J. Beitel, H. Euype, and K. Potter; and Editor (above): M. Carboni.

IN THE NEWS . . .



The Spectator is made up of a group of dedicated students who through hours of hard work, put out a school newspaper. The staff works together to gather news that occurs throughout GHS. The Spectator staff includes editor Sophie Ferenz, managing editor Polly Hiers, sports editor Randy Trice and reporters Mike Wilcox, Dan Howard, Rick Kern and Jim Ball. Advising this group is Miss Hoover.

THE MOUSE THAT ROARED

On November 12 and 13 the characters of *The Mouse That Roared* were introduced to the audience. Grand Fenwick is the small, wine-making country where this comedy takes place. Because of the California wine industries, the wineries of Grand Fenwick were losing profits. To restore their wine industry, the people of Grand Fenwick planned to lose a war against the U.S., and then the U.S. would pay them money for rebuilding their country. Well, the plan failed, resulting in an unwanted victory for Grand Fenwick.

ONE ACT AT A TIME

The cast of the Senior play at dress rehearsal.

Janice Cook and Mike Carboni can be seen in the mirror putting on their makeup.

Mr. Anderson calmly directs the actors and actresses of the Sophomore play.

The Junior actors and actresses are presenting their act to the audience.

February 19 was the night of the eleventh annual One Act Play Contest. Three plays were performed by students from grades 10, 11, and 12. These plays were "The Outcasts of Poker Flats", "Persephone", and "Aria Da Capo."

Directed by George Hodson, the Senior play, "The Outcasts of Poker Flats", was about friends moving away from their troubles and encountering many hardships which led to their destruction. The Senior play earned Audience's Choice and George Hodson won an Honorable mention for his performance.

The Junior play, "Persephone", which was directed by Mrs. Lynn Gollon, was about the capture by Hades, the god of the underworld, of a beautiful young girl and the attempt of her mother to rescue her. Karen O'Baker, playing Persephones mother, won the Best Actress Award. The Junior play also was awarded Best Play by the judges.

The Sophomores performed "Aria Da Capo", directed by Mr. Howard Anderson. This morality play showed the weakness in selfishness and pettiness. The fine performance by Scott Morgan, male lead in this play, earned him the Best Actor Award.

THE SOUND

On Friday and Saturday, April 29 and 30, the Geneva Secondary School Fine Arts Council presented their eighth annual musical, *The Sound of Music.* The lead Character, Maria Rainer was played by Karen O'Baker. Ray Hanzak portrayed Captain Georg von Trapp, the lead male character. The musical was a success and many thanks should be paid to the cast and the crew, for without them the production would not have been possible.

Directing the musical was Mrs. Lynne Gollon. The vocals director was Mr. Gerald Kujala. Mr. Mark Mitchell directed the orchestra.

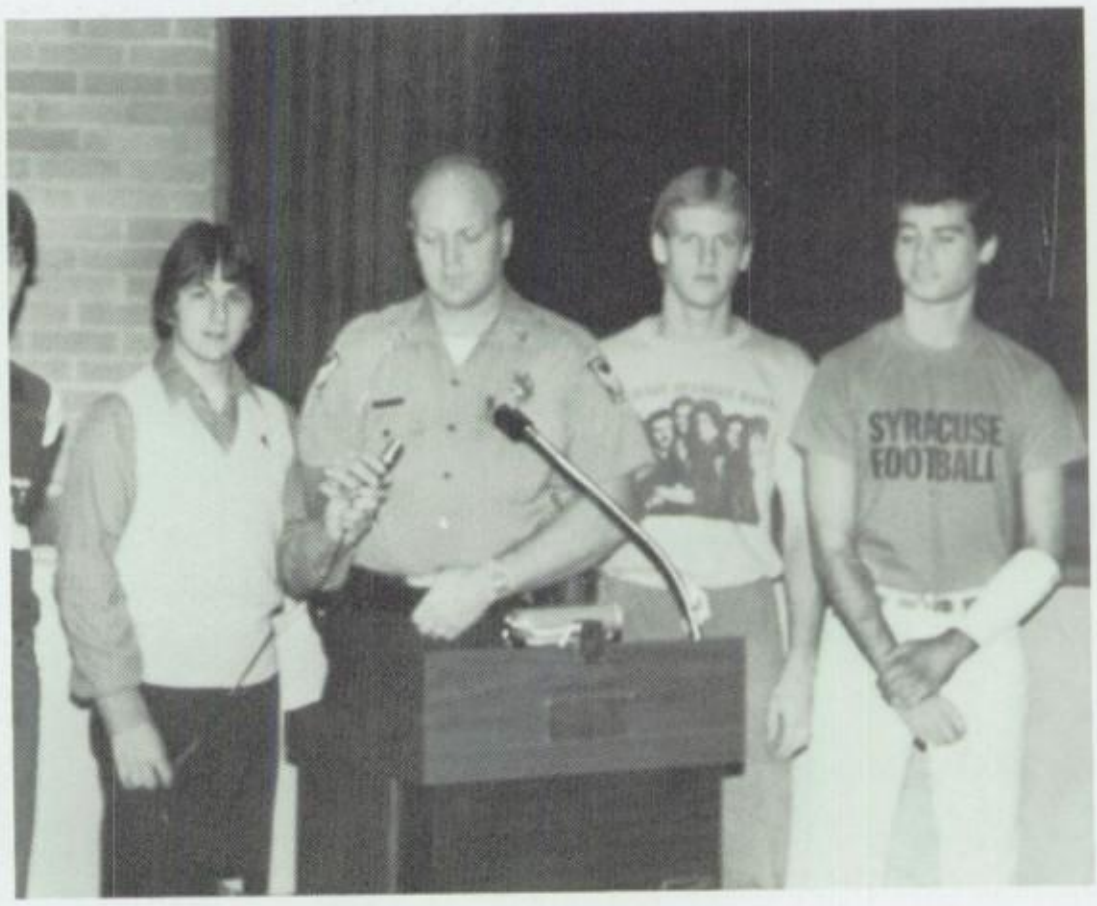
Student Council does it again!

Student Council engaged in many activities throughout the school year. Among these were the annual Homecoming Dance, Thanksgiving Food Drive, and Cookie Grams. Student Council also made some donations to the school, which included their donation of books to the library.

This group of students is under the supervision of Mr. Reynolds, and also led by President Sophie Ferenz. Other officers for the student government were Co-V.P.'s, Steve Shuster and Tracy Hollowood; Treasurer, Maryanne Inman; and Secretary, Cathy Valitsky.

CLUB IS KEY TO SERVICE



The Key Club, under the advisorship of Mr. Anderson, consists of 35 ambitious high school boys who enjoy helping others throughout the school and community. The officers of the club are President, Mike Carboni; Vice-President, Dave Craine; Secretary, Rick Pruden; and Treasurer, Dave Campbell.

This year the club held an assembly to inform the junior high students about the hazards with driving. The assembly included a lecture by Officer Gary Holt from the Police Dept. about automobile safety.

NO RAIN FALLS

When was the last time you watched the crowning of the queen without the rain dripping off your nose as you tried to stay dry? Well, this year on a beautiful October night Deanna Hart was crowned 1982 All Sports Homecoming Queen. Accompaning Deanna on court were Seniors Holly Whitmire and Kay Scibona; Juniors Alisa Gruber and Patty Chester; Sophomores Ruth Kujala and Sue Fabel; Freshmen Terri Tersigni and Anne St. John.

The excitement of the evening continued as Geneva clashed with Edgewood for our first N.E.C. victory 33-0.

"ON GOLDEN EVENING"

The next night, October 3, everyone came dressed for an enjoyable evening with their date, listening and dancing to the sounds of "Quiana".

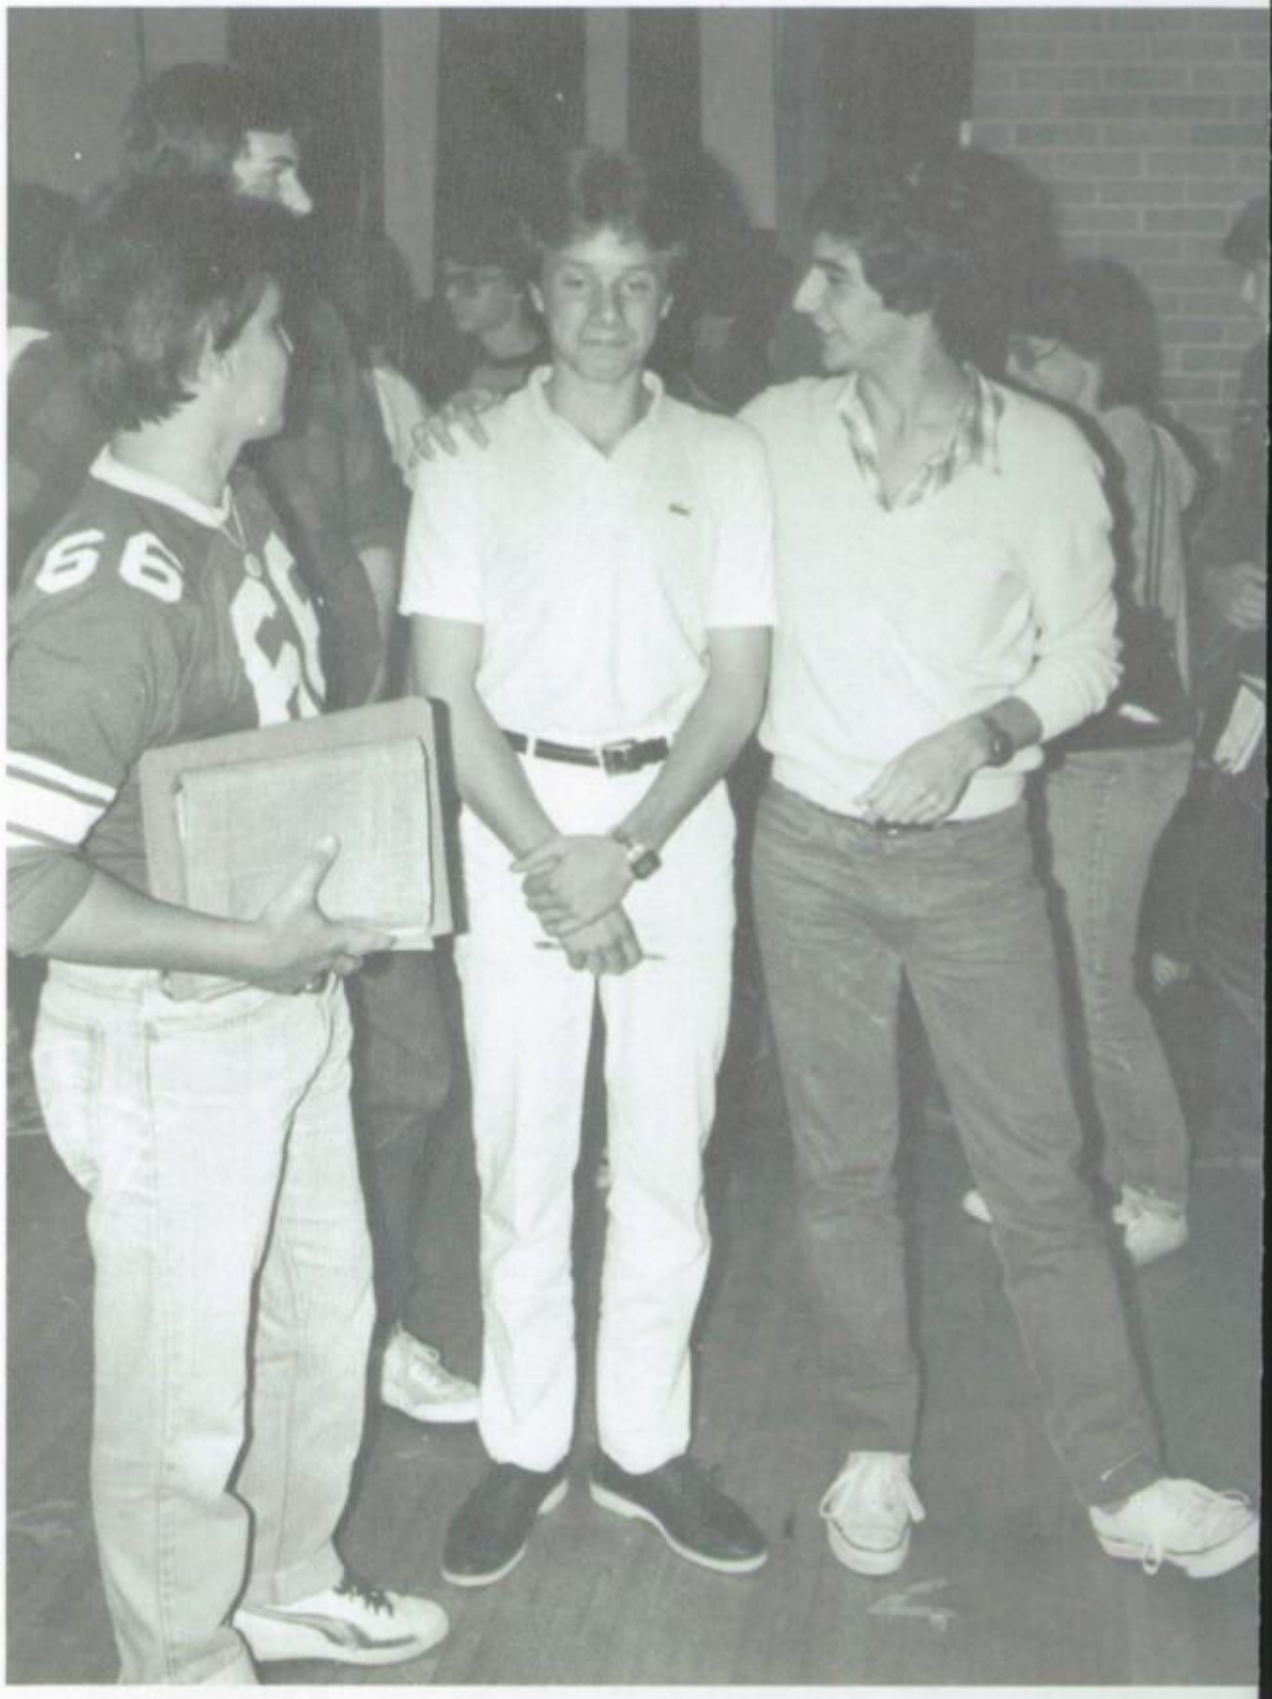
ALIENS LAND

The world's favorite alien was E.T., but not for GHS. Sven Bergqvist and Ale Gigena stole the hearts of all the students at Geneva when they landed in our country this past summer. Sven is staying with the Peter's family in Geneva while Ale is living at the home of Dr. Rice in Austinburg.

Sven is active in sports such as Cross Country and Tennis. He also spent this winter as a member of the Ski Club. When the Fall Play rolled around, Sven tried his hand at acting. He liked it so much, he is now involved in the Musical. The Swede speaks four languages and is taking Spanish this year. Yearbook is also a course that Sven is taking part in.

Ale also participates in sports such as soccer and volleyball. He became a skier for the first time this year in the Ski Club and enjoyed the new sport. Ale is active in AFS and the U.N. Project. He is also involved in the Computer Instruction at school.

Both Sven and Ale visited New York City and both would also like to see California.



AT GHS!

"SOMEWHERE

Somewhere In Time was the theme of the Junior-Senior Dinner Dance held at the Hotel Ashtabula on Saturday, May 21. The evening began with an opening statement by a few Junior Class officers. Following the opening remarks, dinner was served by Tim Meola. The band, "Jump", was greatly enjoyed by all of the students. The efforts of the Junior Class made this year's Dinner Dance one of the most attended.

IN TIME''

TORONTO SAFARI

On Saturday, May 7, the Physics class took a bus trip to Toronto, Canada. The group, led by Mr. Millspaw spent the first part of the day at the Ontario Science Center. From there the students took the Toronto subway downtown and spent two hours at Eaton's Mall. When the day was approaching its end, students took the subway back to the buses to start the journey home.

LEADERS OF "83"

For the second consecutive year, Sharon Loveless and Mark Tamblyn have served as Class President and Vice President respectively. Danette Locke has also resumed her position as secretary of the Senior Class. This year's newcomer is Kim Scott who occupied the office of Treasurer. The meetings were held on Wednesdays after school under the supervision of Class Advisor, Mr. Roe.

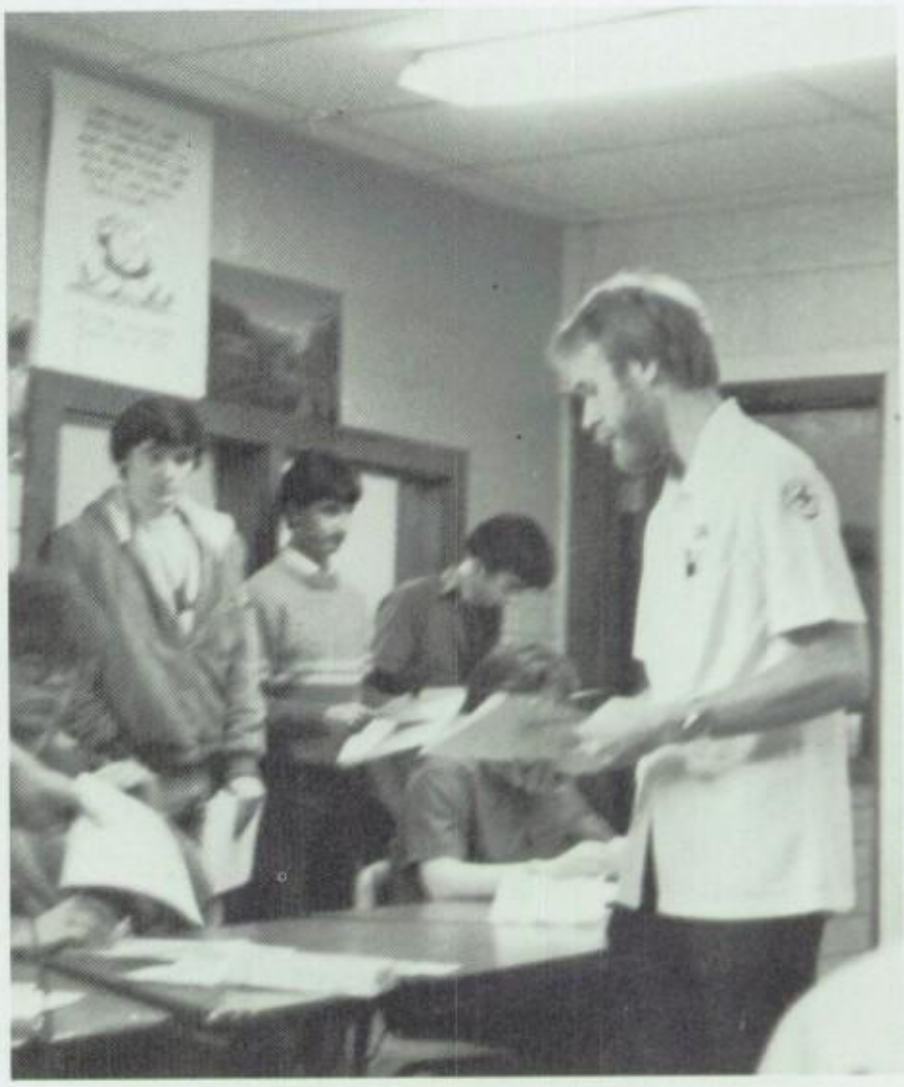
HEROES OF THE DAY

The American Red Cross held its annual GHS Blood Mobile on Friday, March 25. Over 100 juniors, seniors, and faculty members donated. A training session for volunteer workers was held the previous Wednesday by Red Cross representative, David Tidd.



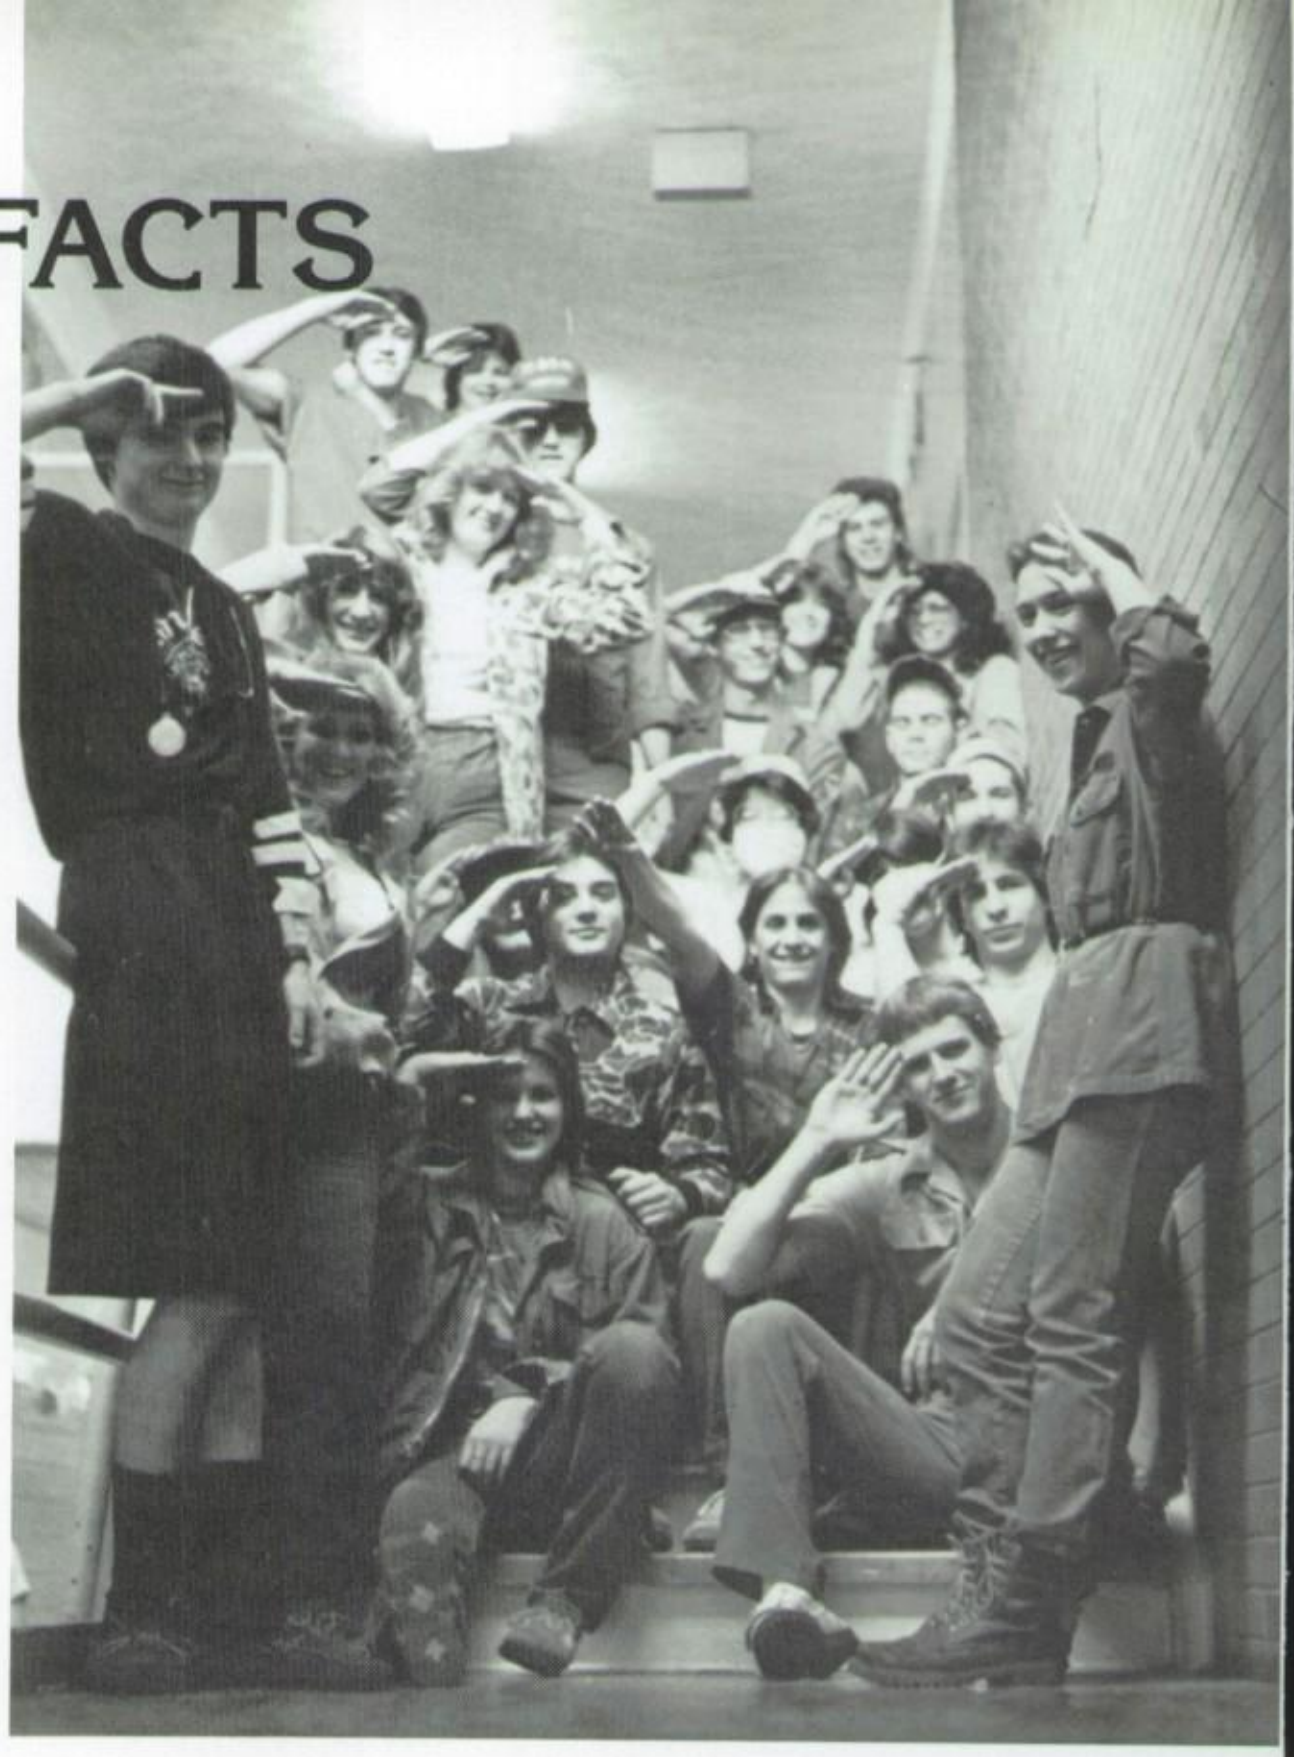
FUN AND FACTS

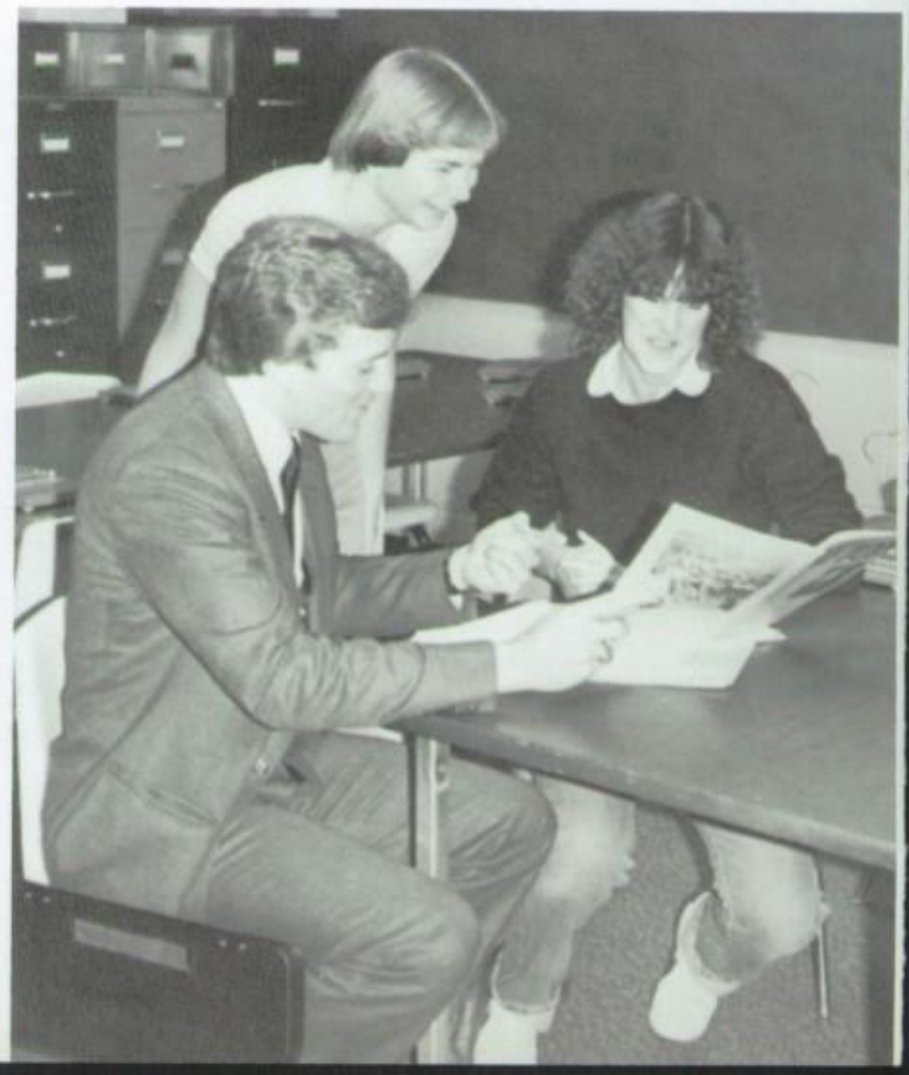
Class of 83 face fun and facts this year—ranging from MASH Bash to college to foreign exchange.

NHS sponsored MASH Bash Dance, February 25, commemorated the final episode of the MASH series.

Representatives from various colleges helped seniors look to the next four years of education. (As seen below with Holly Euype and Danette Locke.)

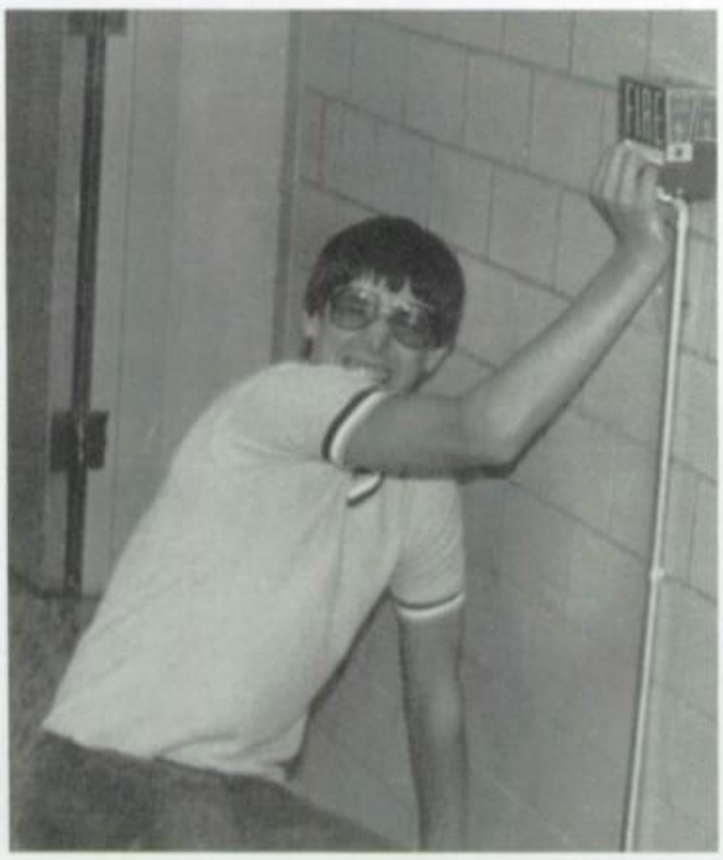
Also seniors got a chance to learn about Austria and Thialand from Brigitte Rosemann and Apirath (Kak) Sinthawat, two foreign exchange students visiting our school for a week. (Pictured below is Brigitte.)





FRIENDS

FUN FROM THE START



WORKING TO THE END

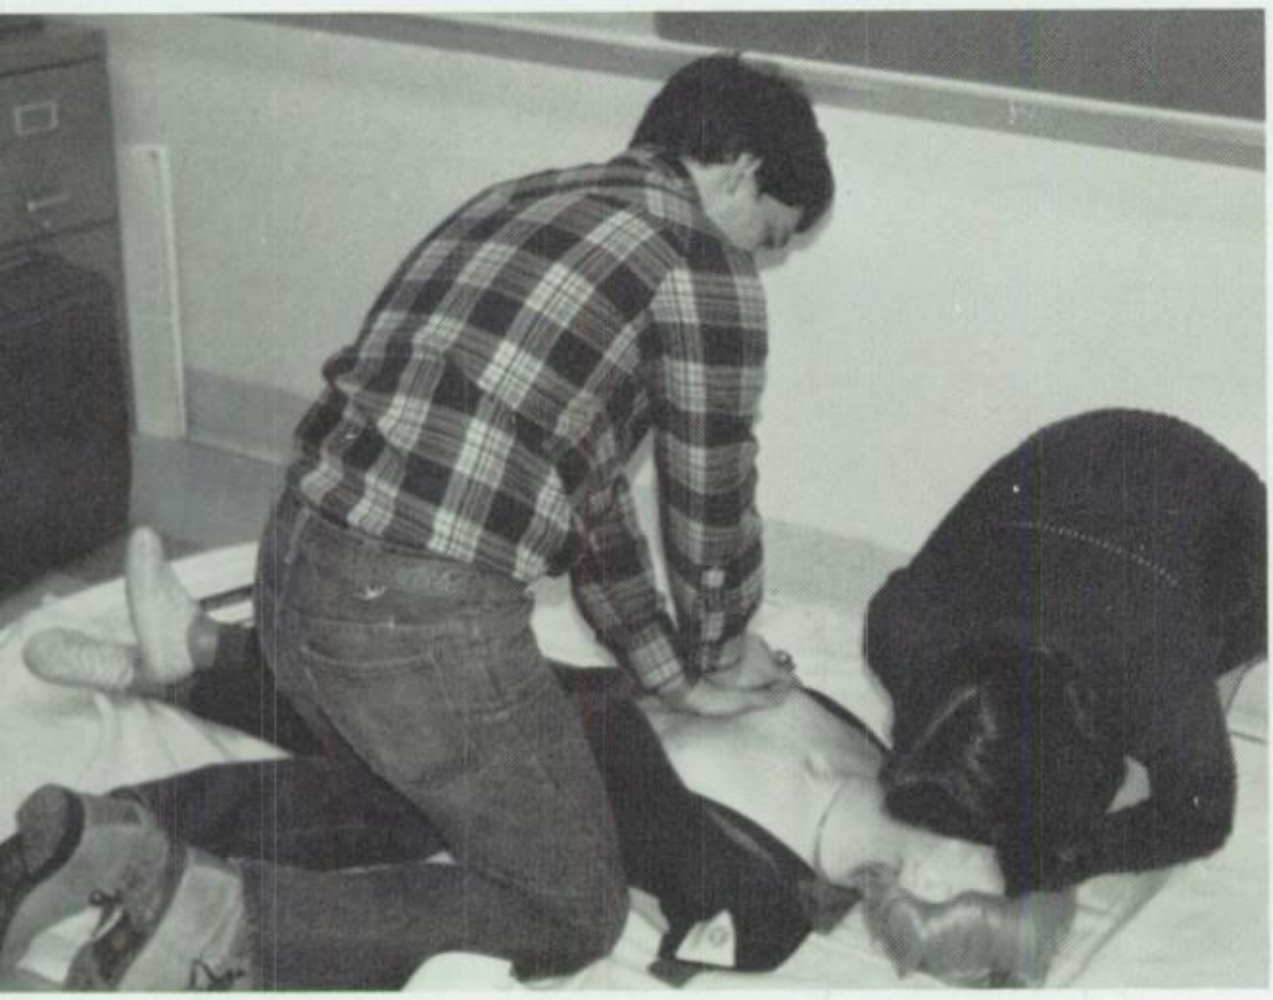
Of the many projects throughout high school life, none may prove more interesting than those in which seniors are encouraged to participate.

For example, students involved in Mr. Williams Practical Health course learned the basics of first aid care including CPR and the emergency treatment of injured persons.

To keep pace with the computer age, GHS took part in a week long computer course. Seniors participated during free periods or after school.

The Honors Biology class ended its semester course with the famous fetal pig disection. This elective also required a final research project based on a biological process.

Both Mr. Burke and Mr. Zimny's Problems of Democracy classes were required to complete a term paper or presentation to finish our senior year at GHS.

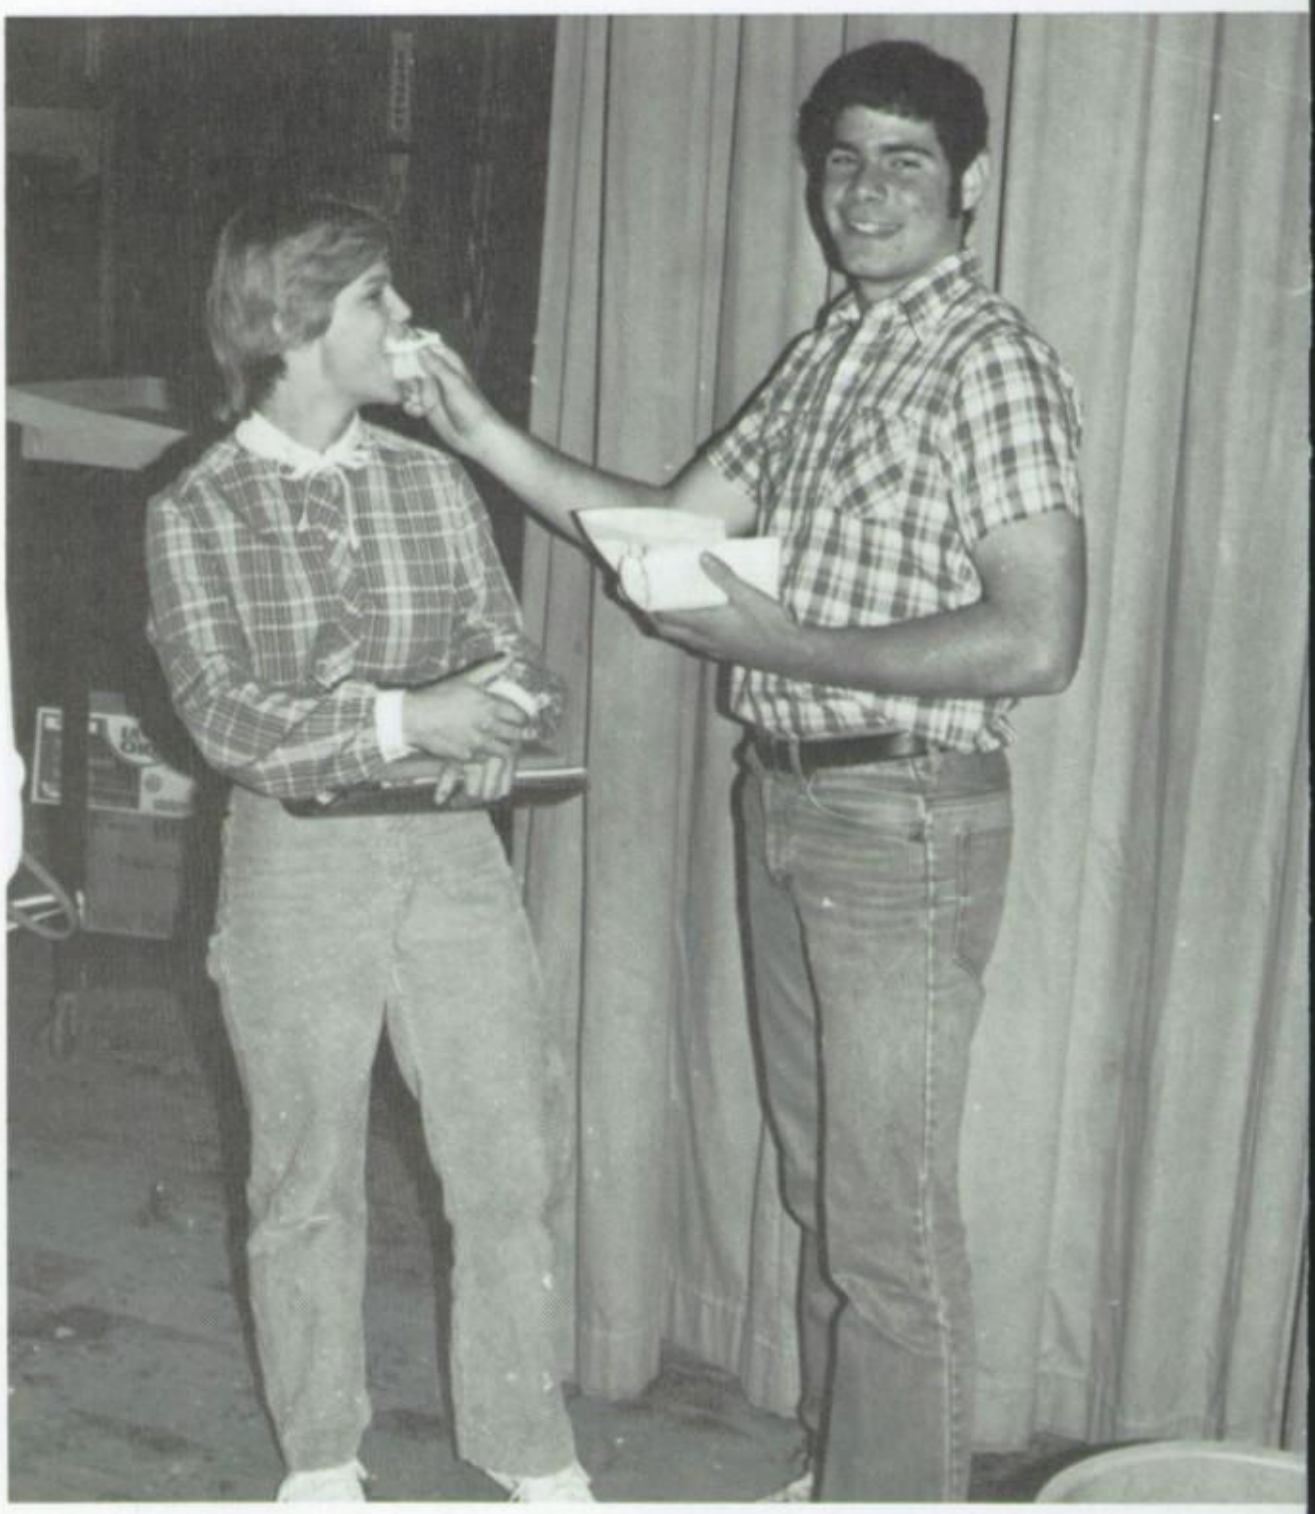


SENIORS GREET ALE, SVEN

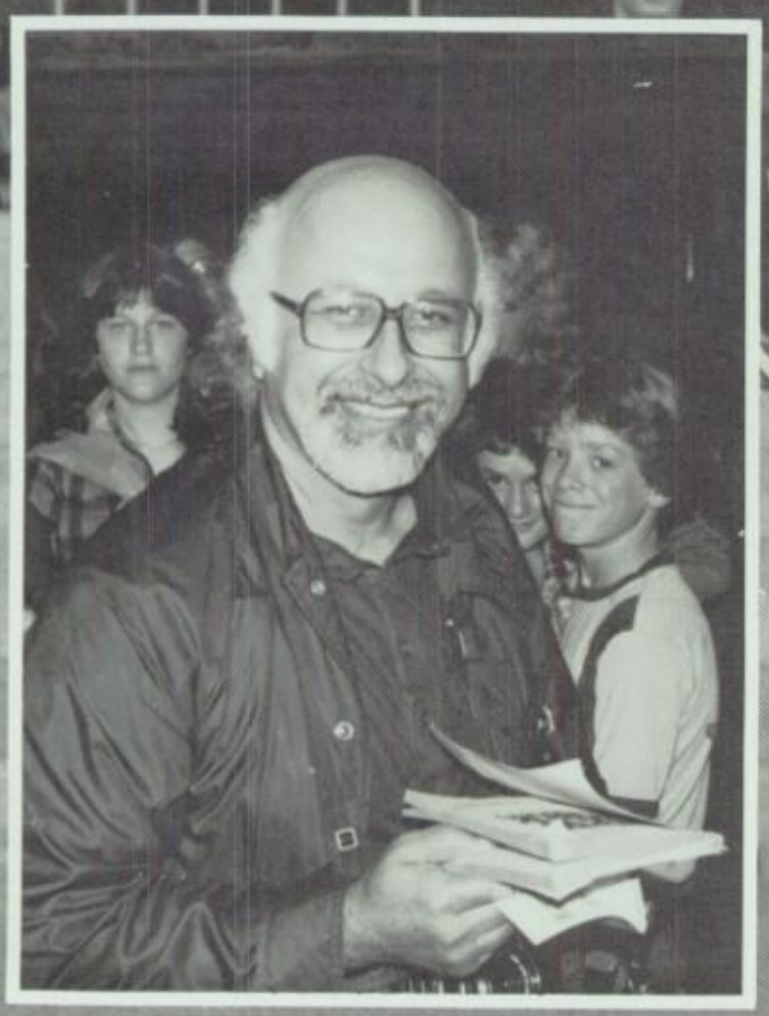
On October 13, 1982, the Senior Class held an assembly welcoming Swede Sven Bergqvist (Rotary) and Argentinean Alejandro Gigena (AFS).

Sven, who resides with the Peters', is active in Cross Country.

Ale, who lives with the Rice family, and other students will represent Argentina at the U.N. Simulation.



GHS FACES UN AT BIG APPLE



Since 1980, Philip Hays has organized the annual United Nations Simulation held at Kent State Branch. This year the Geneva students represented Japan, Argentina, and Egypt.

In order to be better prepared for the simulation, the students, with other participants from surrounding schools, spent two days and one night in NYC. The main objective of this trip was to visit the UN Building and learn about its daily functions.

TRAINING FOR

As seniors at GHS, many students take advantage of both GLE and Vo-Ed. At the vocational school in Jefferson, students major in a trade of his/her choice. In the GLE program, students are given the opportunity to work at a job while in school. Both of these programs help train students for the future.

COMMENCEMENT

JUNE 5, 1983

After thirteen consecutive weekends of rain, Sunday, June 5, welcomed the graduates with an 80 degree summer day. The commencement was held at 2:00 P.M. at The Memorial Field. Speakers from the class of 1983 included Mike Carboni, Julie Shearson, George Hodson, and Julius Zolotarevsky.

Farewell speeches were given by Sven Bergqvist from Sweden and Alejendro Gigena-Perez from Argentina. Mr. Edward Howley presented the class as Mr. Donald Walker presented the diplomas.

T '83

THE END?

Is this THE END? MAYBE! These are the final pages of this year's book, but far from the end of future books. For Seniors, an end of an era has come. Their high shcool careers are over, but a new life is just beginning, whether they are catching up on world news or roaming the hall of memories. The Class of 1983 will not be the last class to graduate, so there is no ending to the story of Geneva High School; and new students will always pass through the Glass Enclosure. Is this the end? Not really.

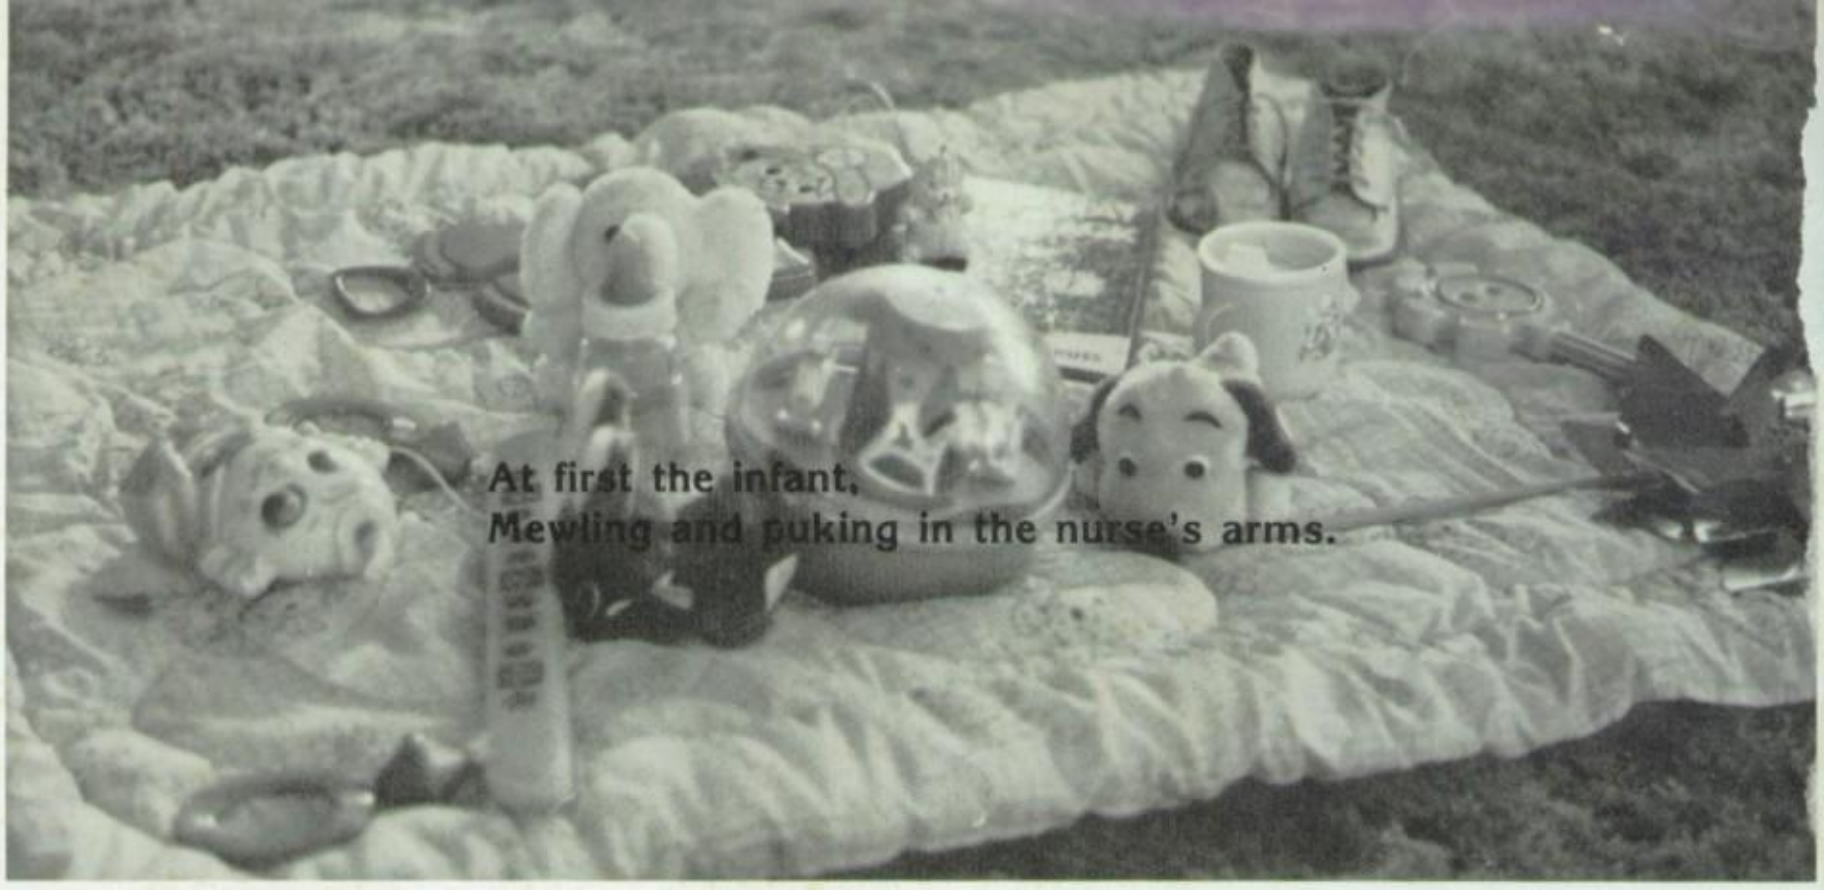
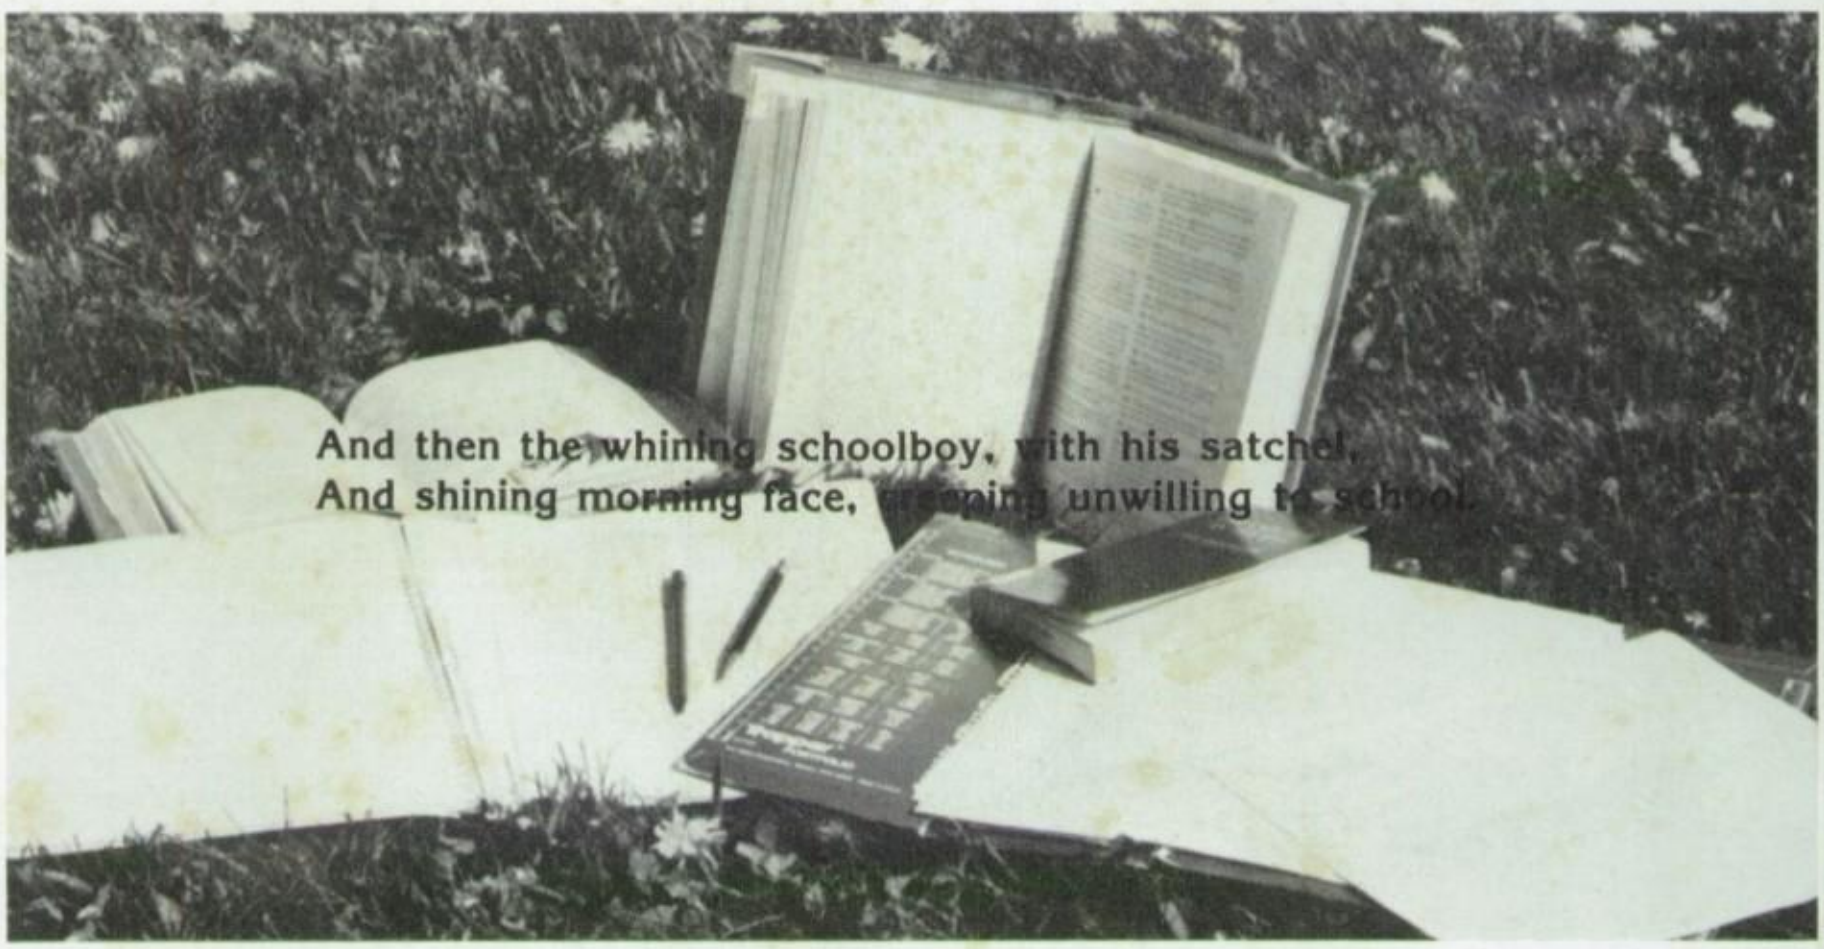
SENIORS SECOND IN STATE

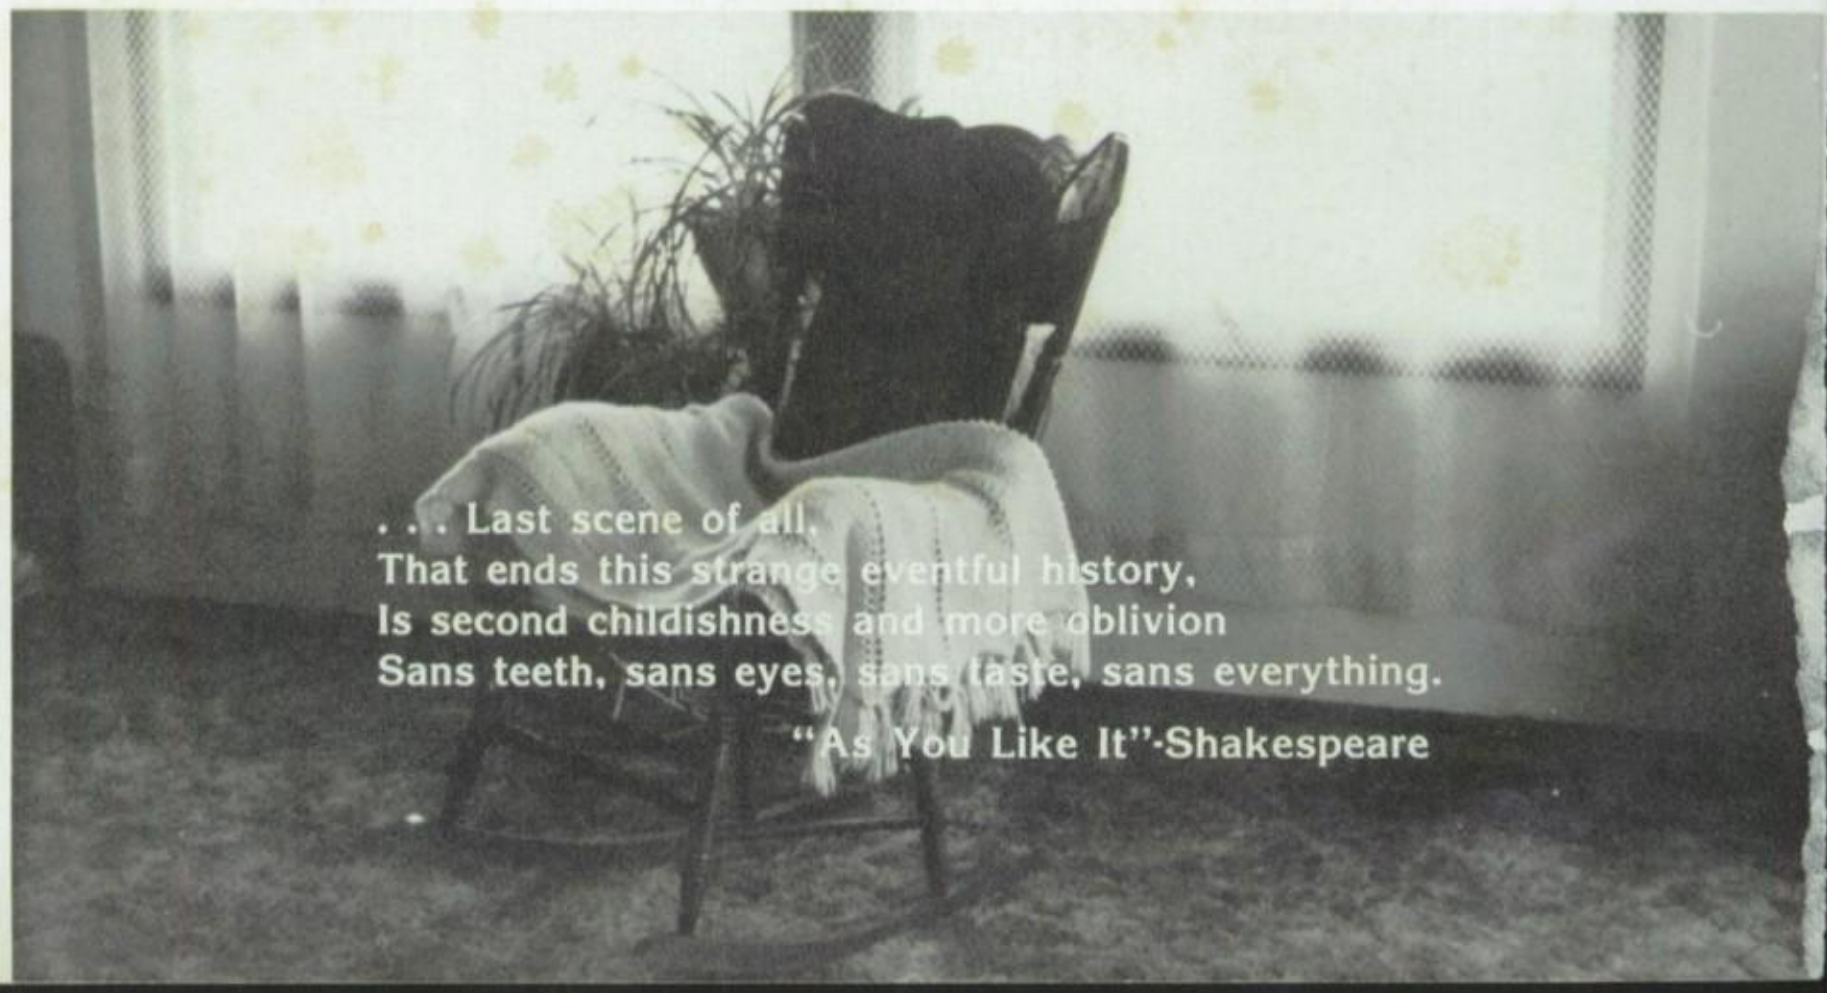
The doubles team known as "Kader's Kids" finished the 1983 State Tennis Tourney in second place. Tim Brueggeman and Allen Redmond started their vie for State as sophomores. As juniors they finished third and this year ended their careers second in the State. Tim and Al were both named Most Valuable players as was Mark Malizia for baseball. Jim Kulick and Cindy Collier were also awarded Most Valuable in Boy's and Girl's Track. This year's D.J. Caton Award went to Kathy Potter. Brian Collier accepted the Adam Fowler Memorial Scholarship. Tim Brueggeman was awarded the George Duplay trophy and the Ed Dubsky award. He also received the school's first Army ROTC sports medal.



At first the infant,
Mewling and puking in the nurse's arms.



And then the whining schoolboy, with his satchel,
And shining morning face, creeping unwilling to school.



. . . Last scene of all,
That ends this strange eventful history,
Is second childishness and more oblivion
Sans teeth, sans eyes, sans taste, sans everything.
"As You Like It"-Shakespeare
